

Table of classification, barplot of comutations, KM curves , box plots and bar plots for chr\_splicing\_multiple

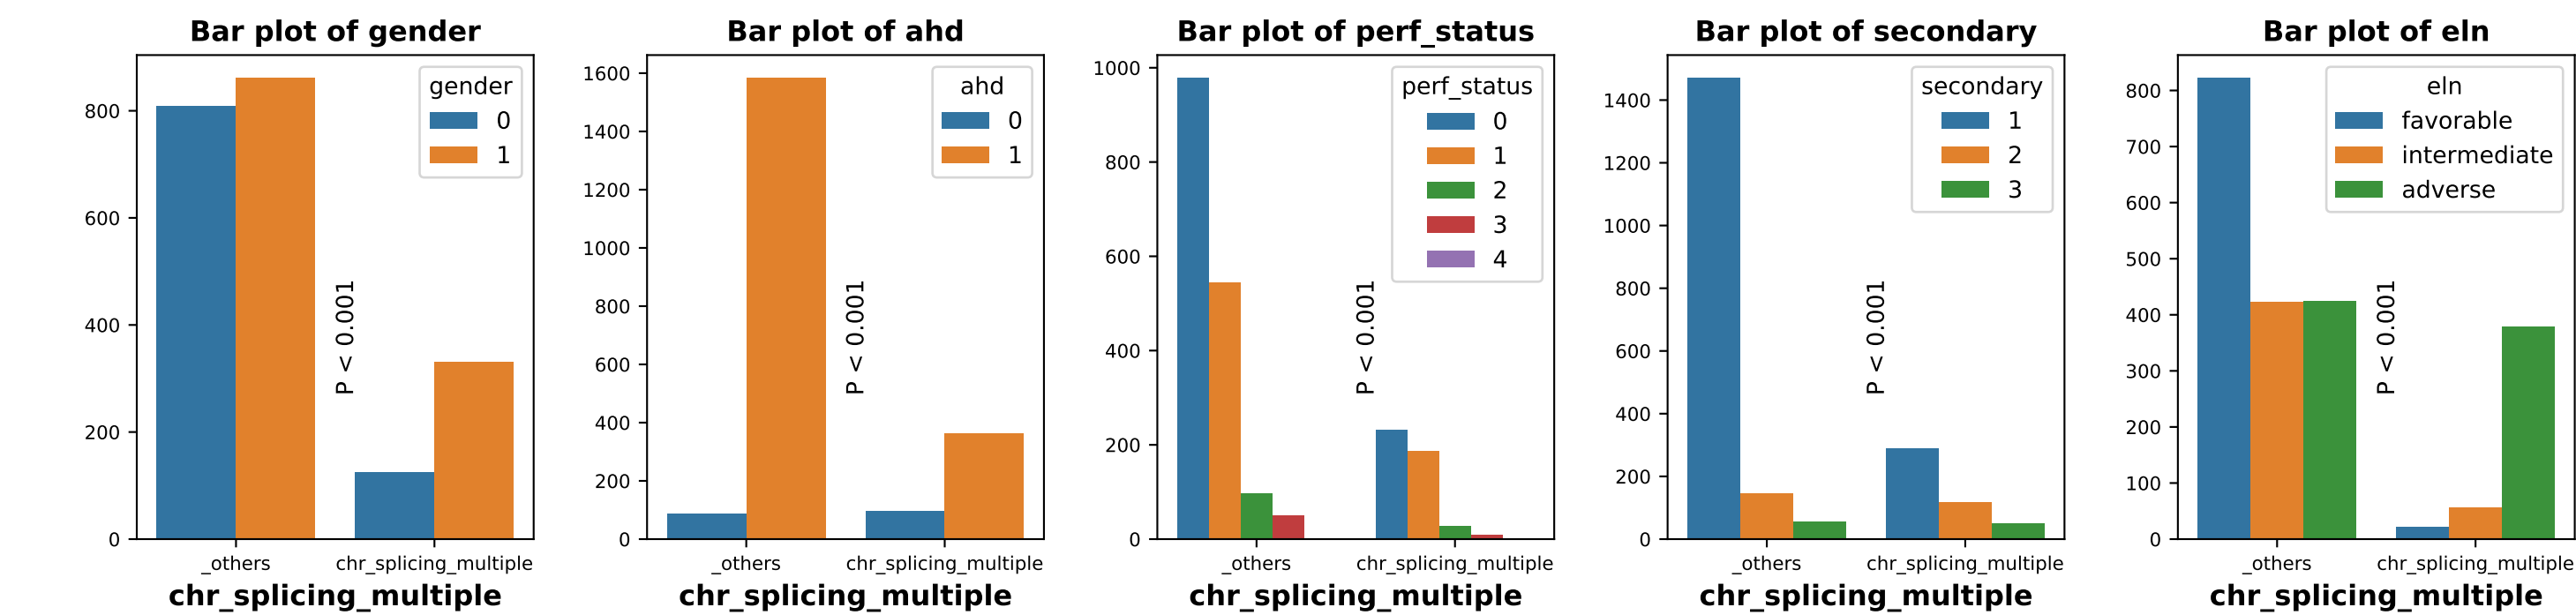

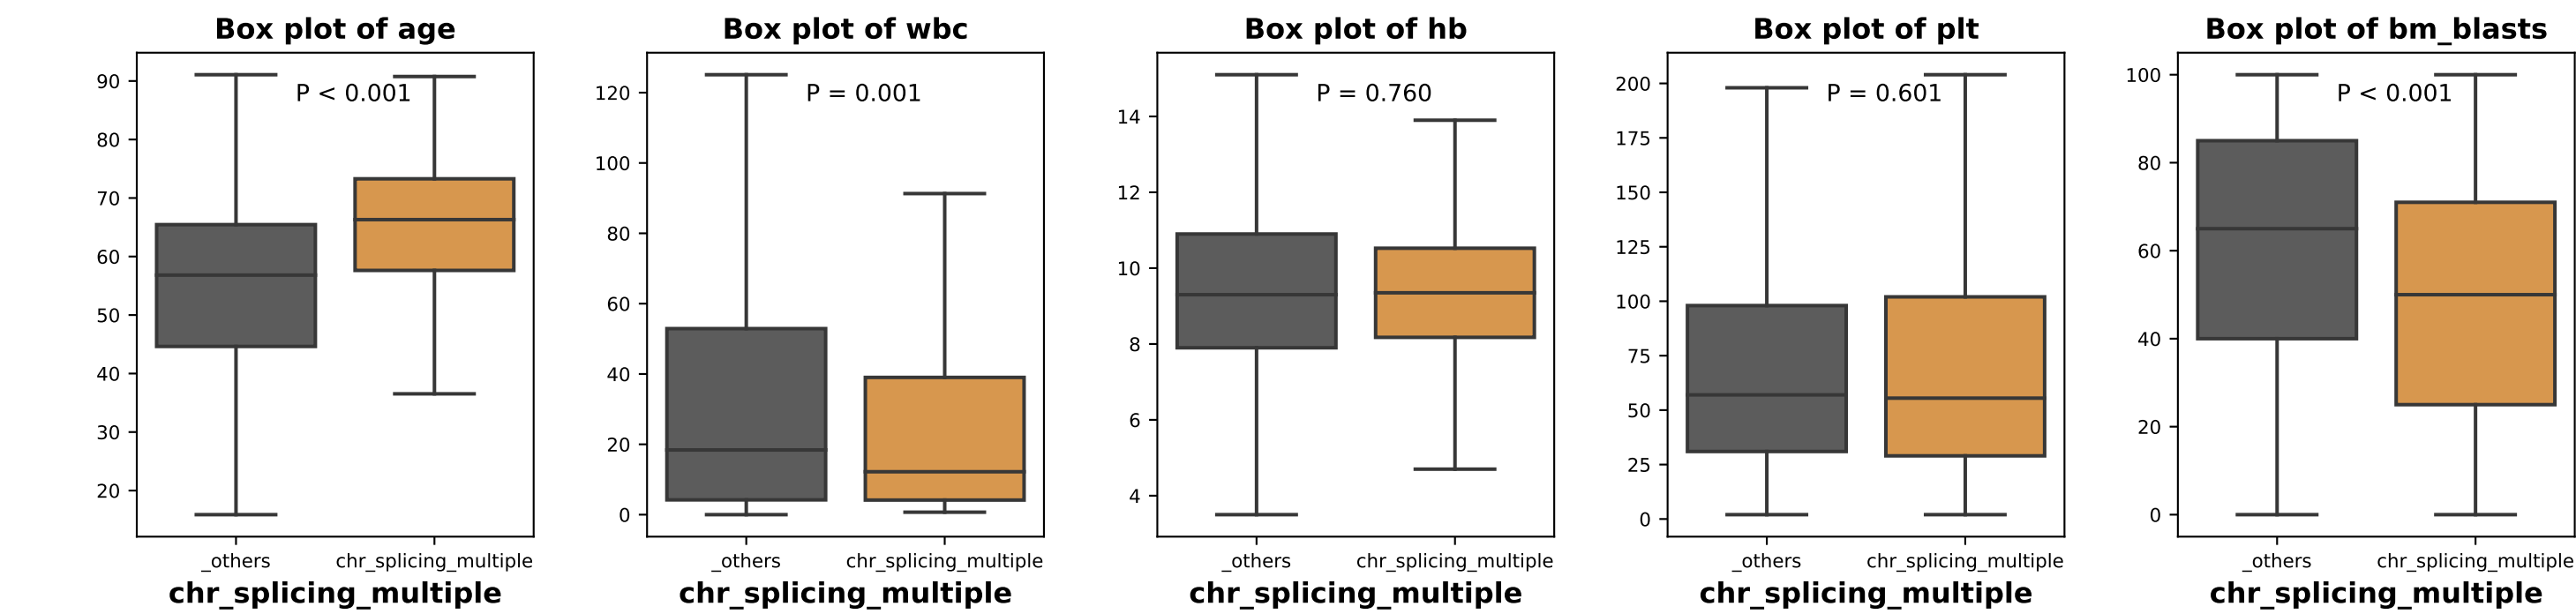

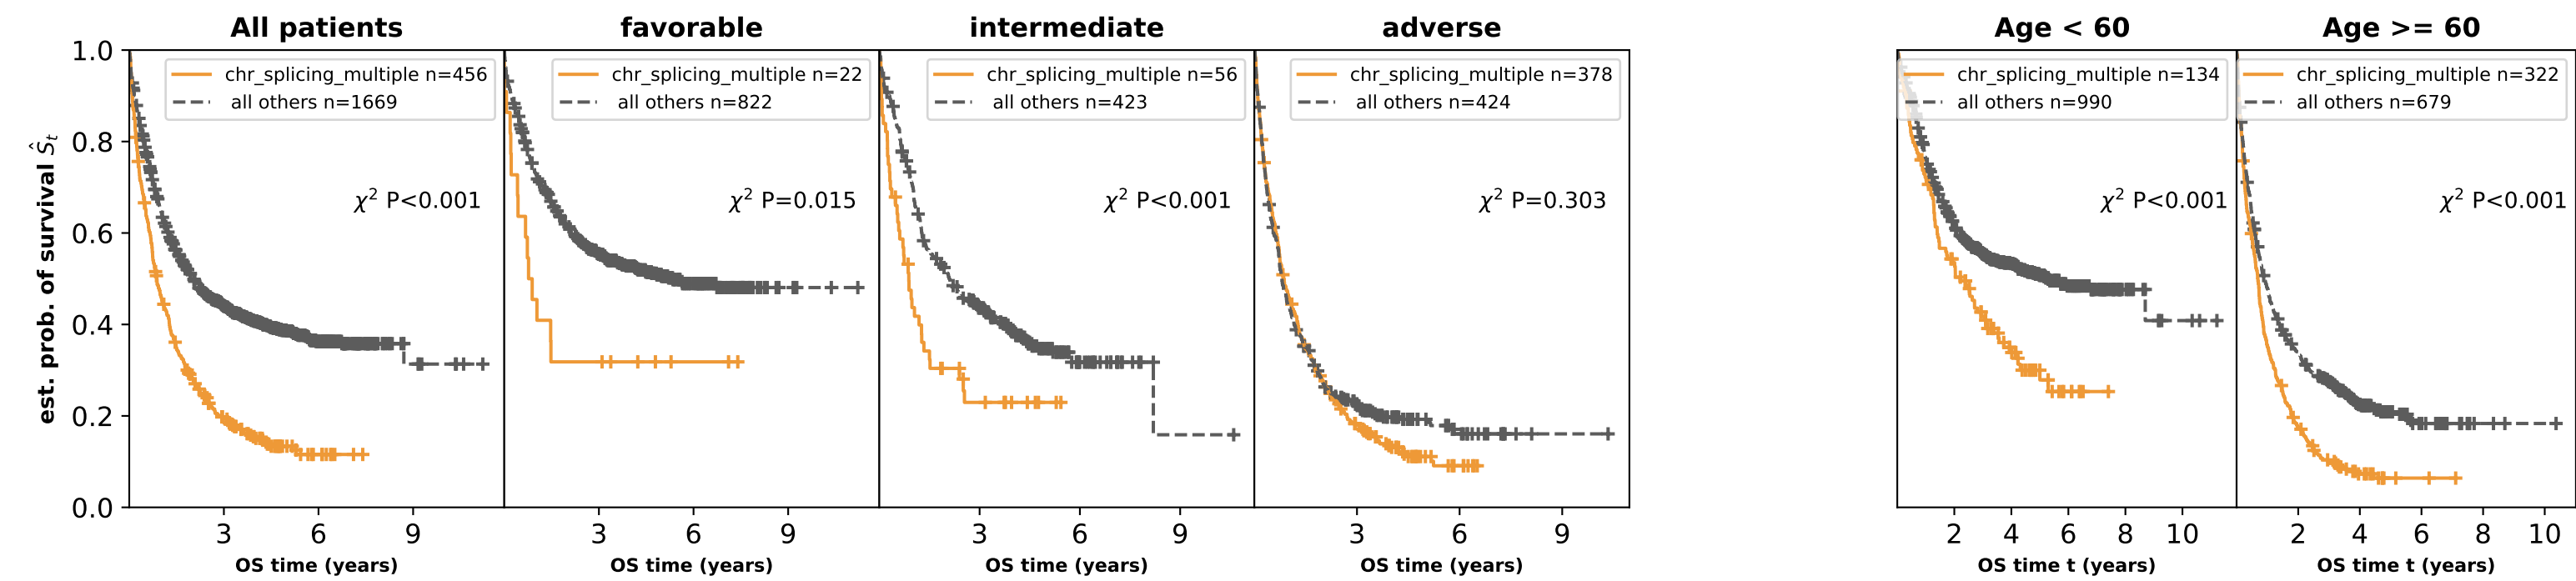

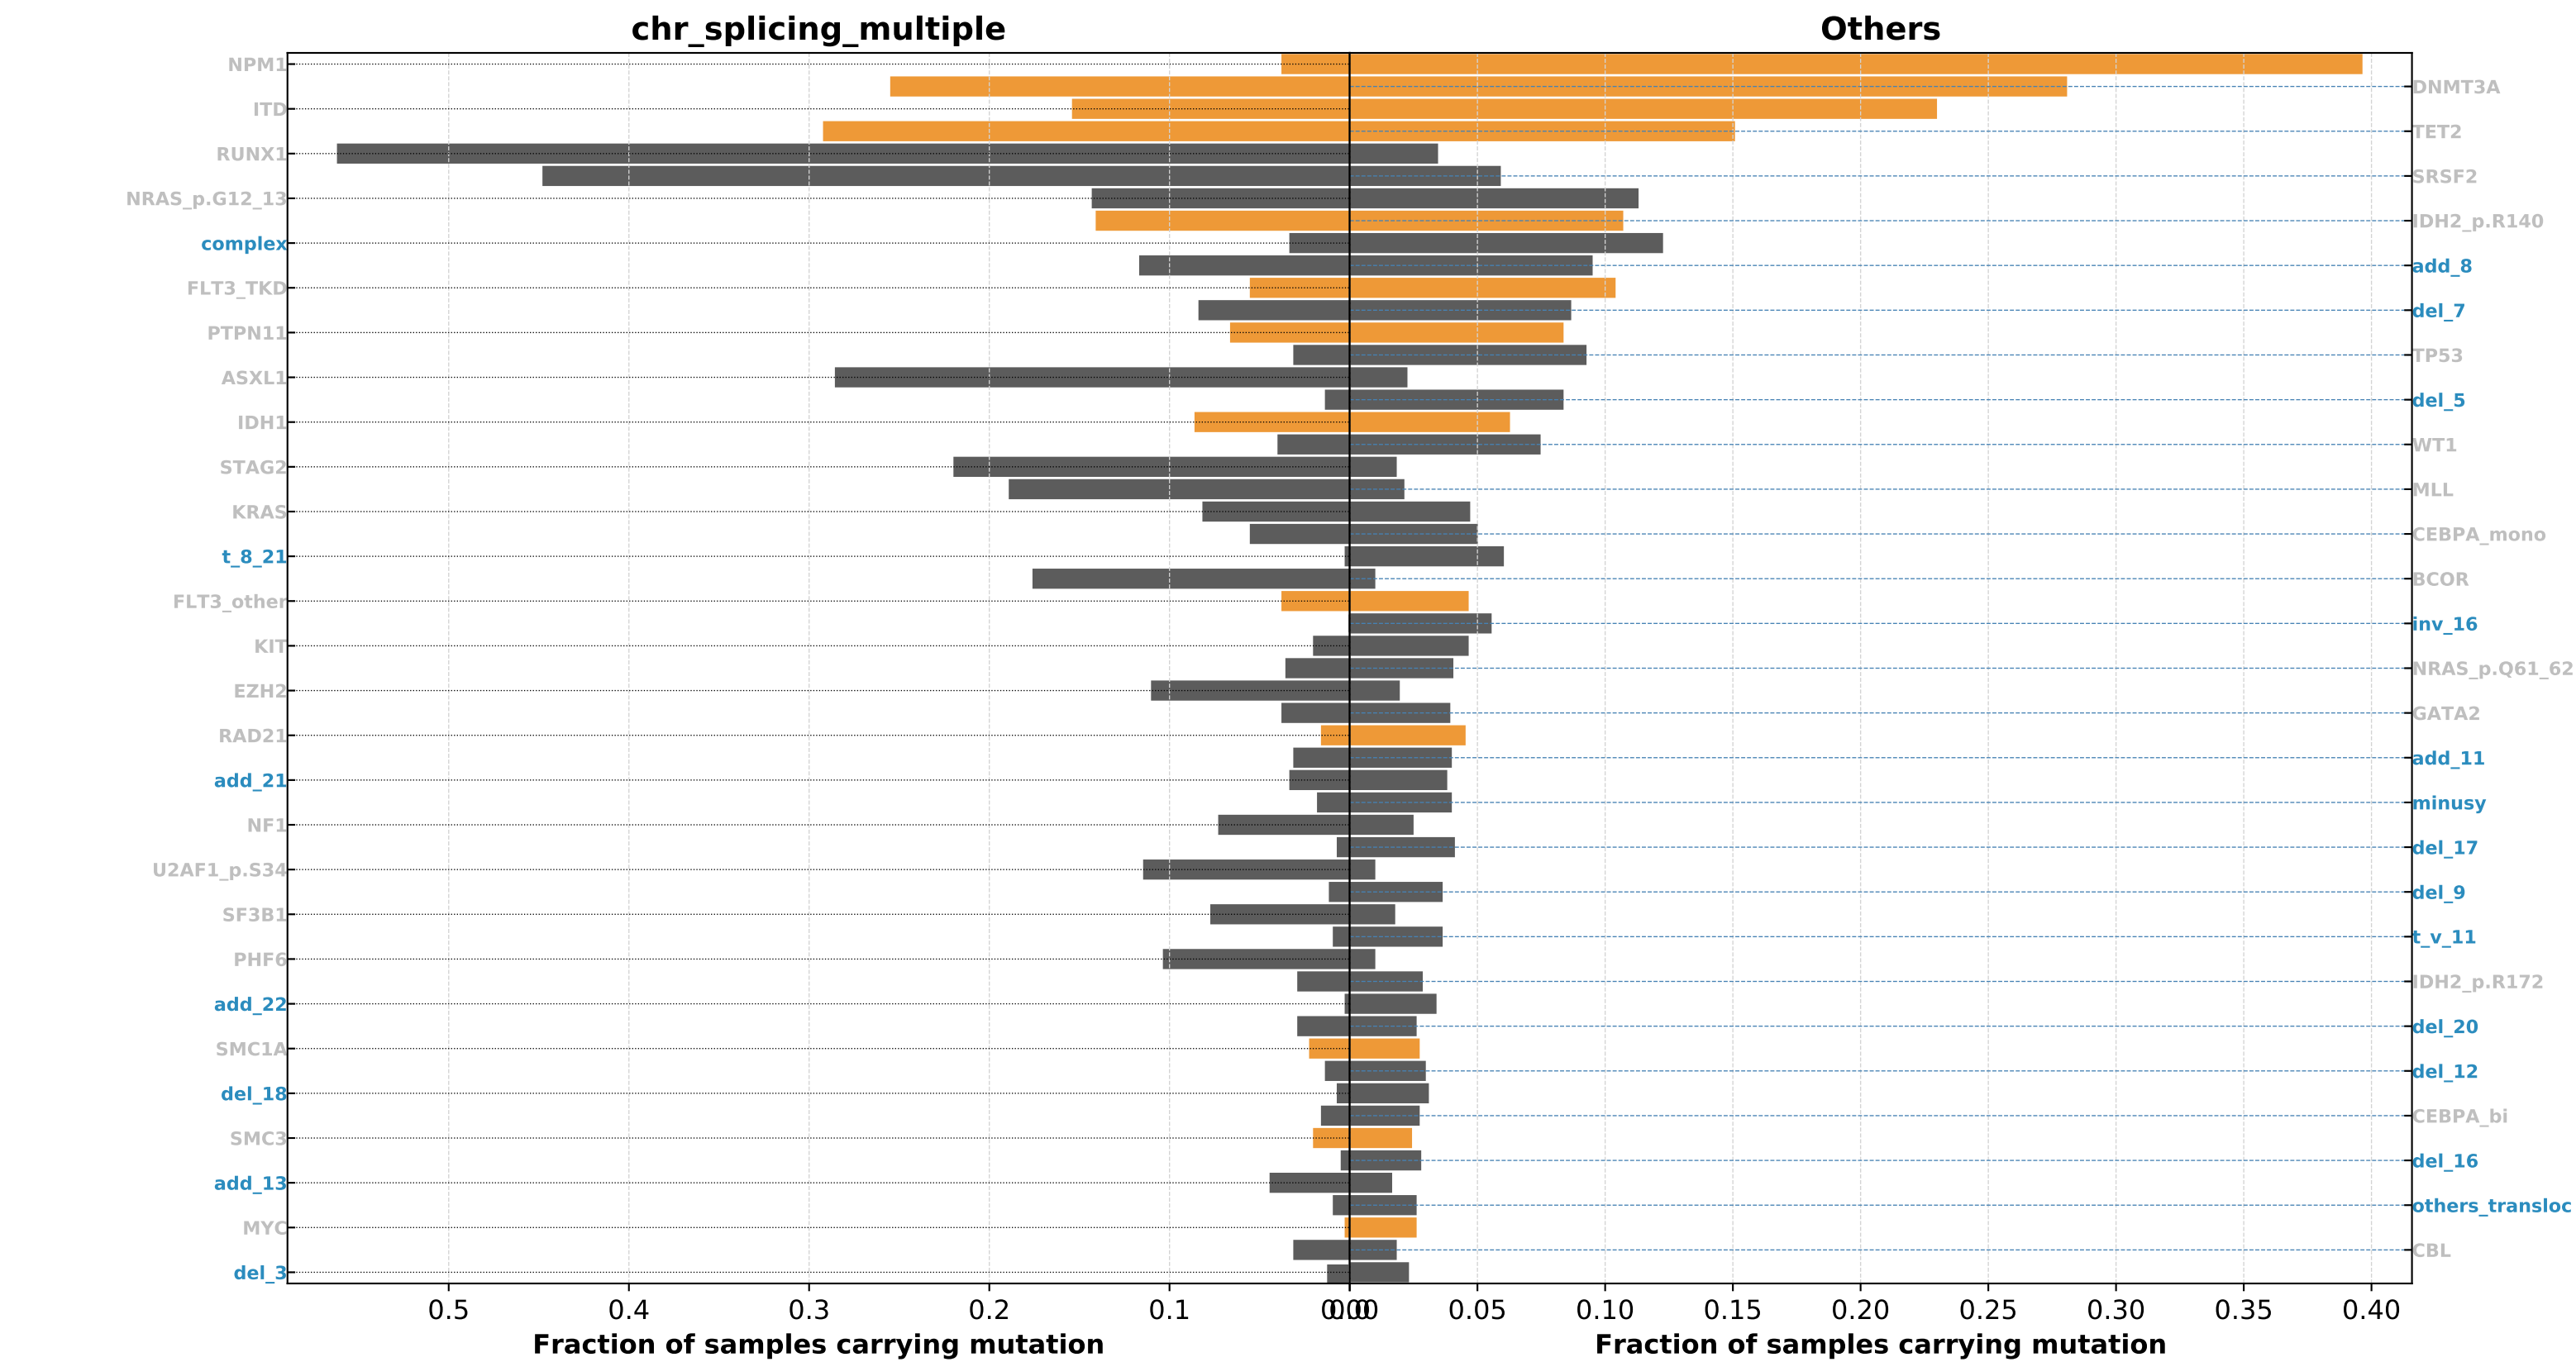

Table of classification, barplot of comutations, KM curves , box plots and bar plots for TP53\_complex

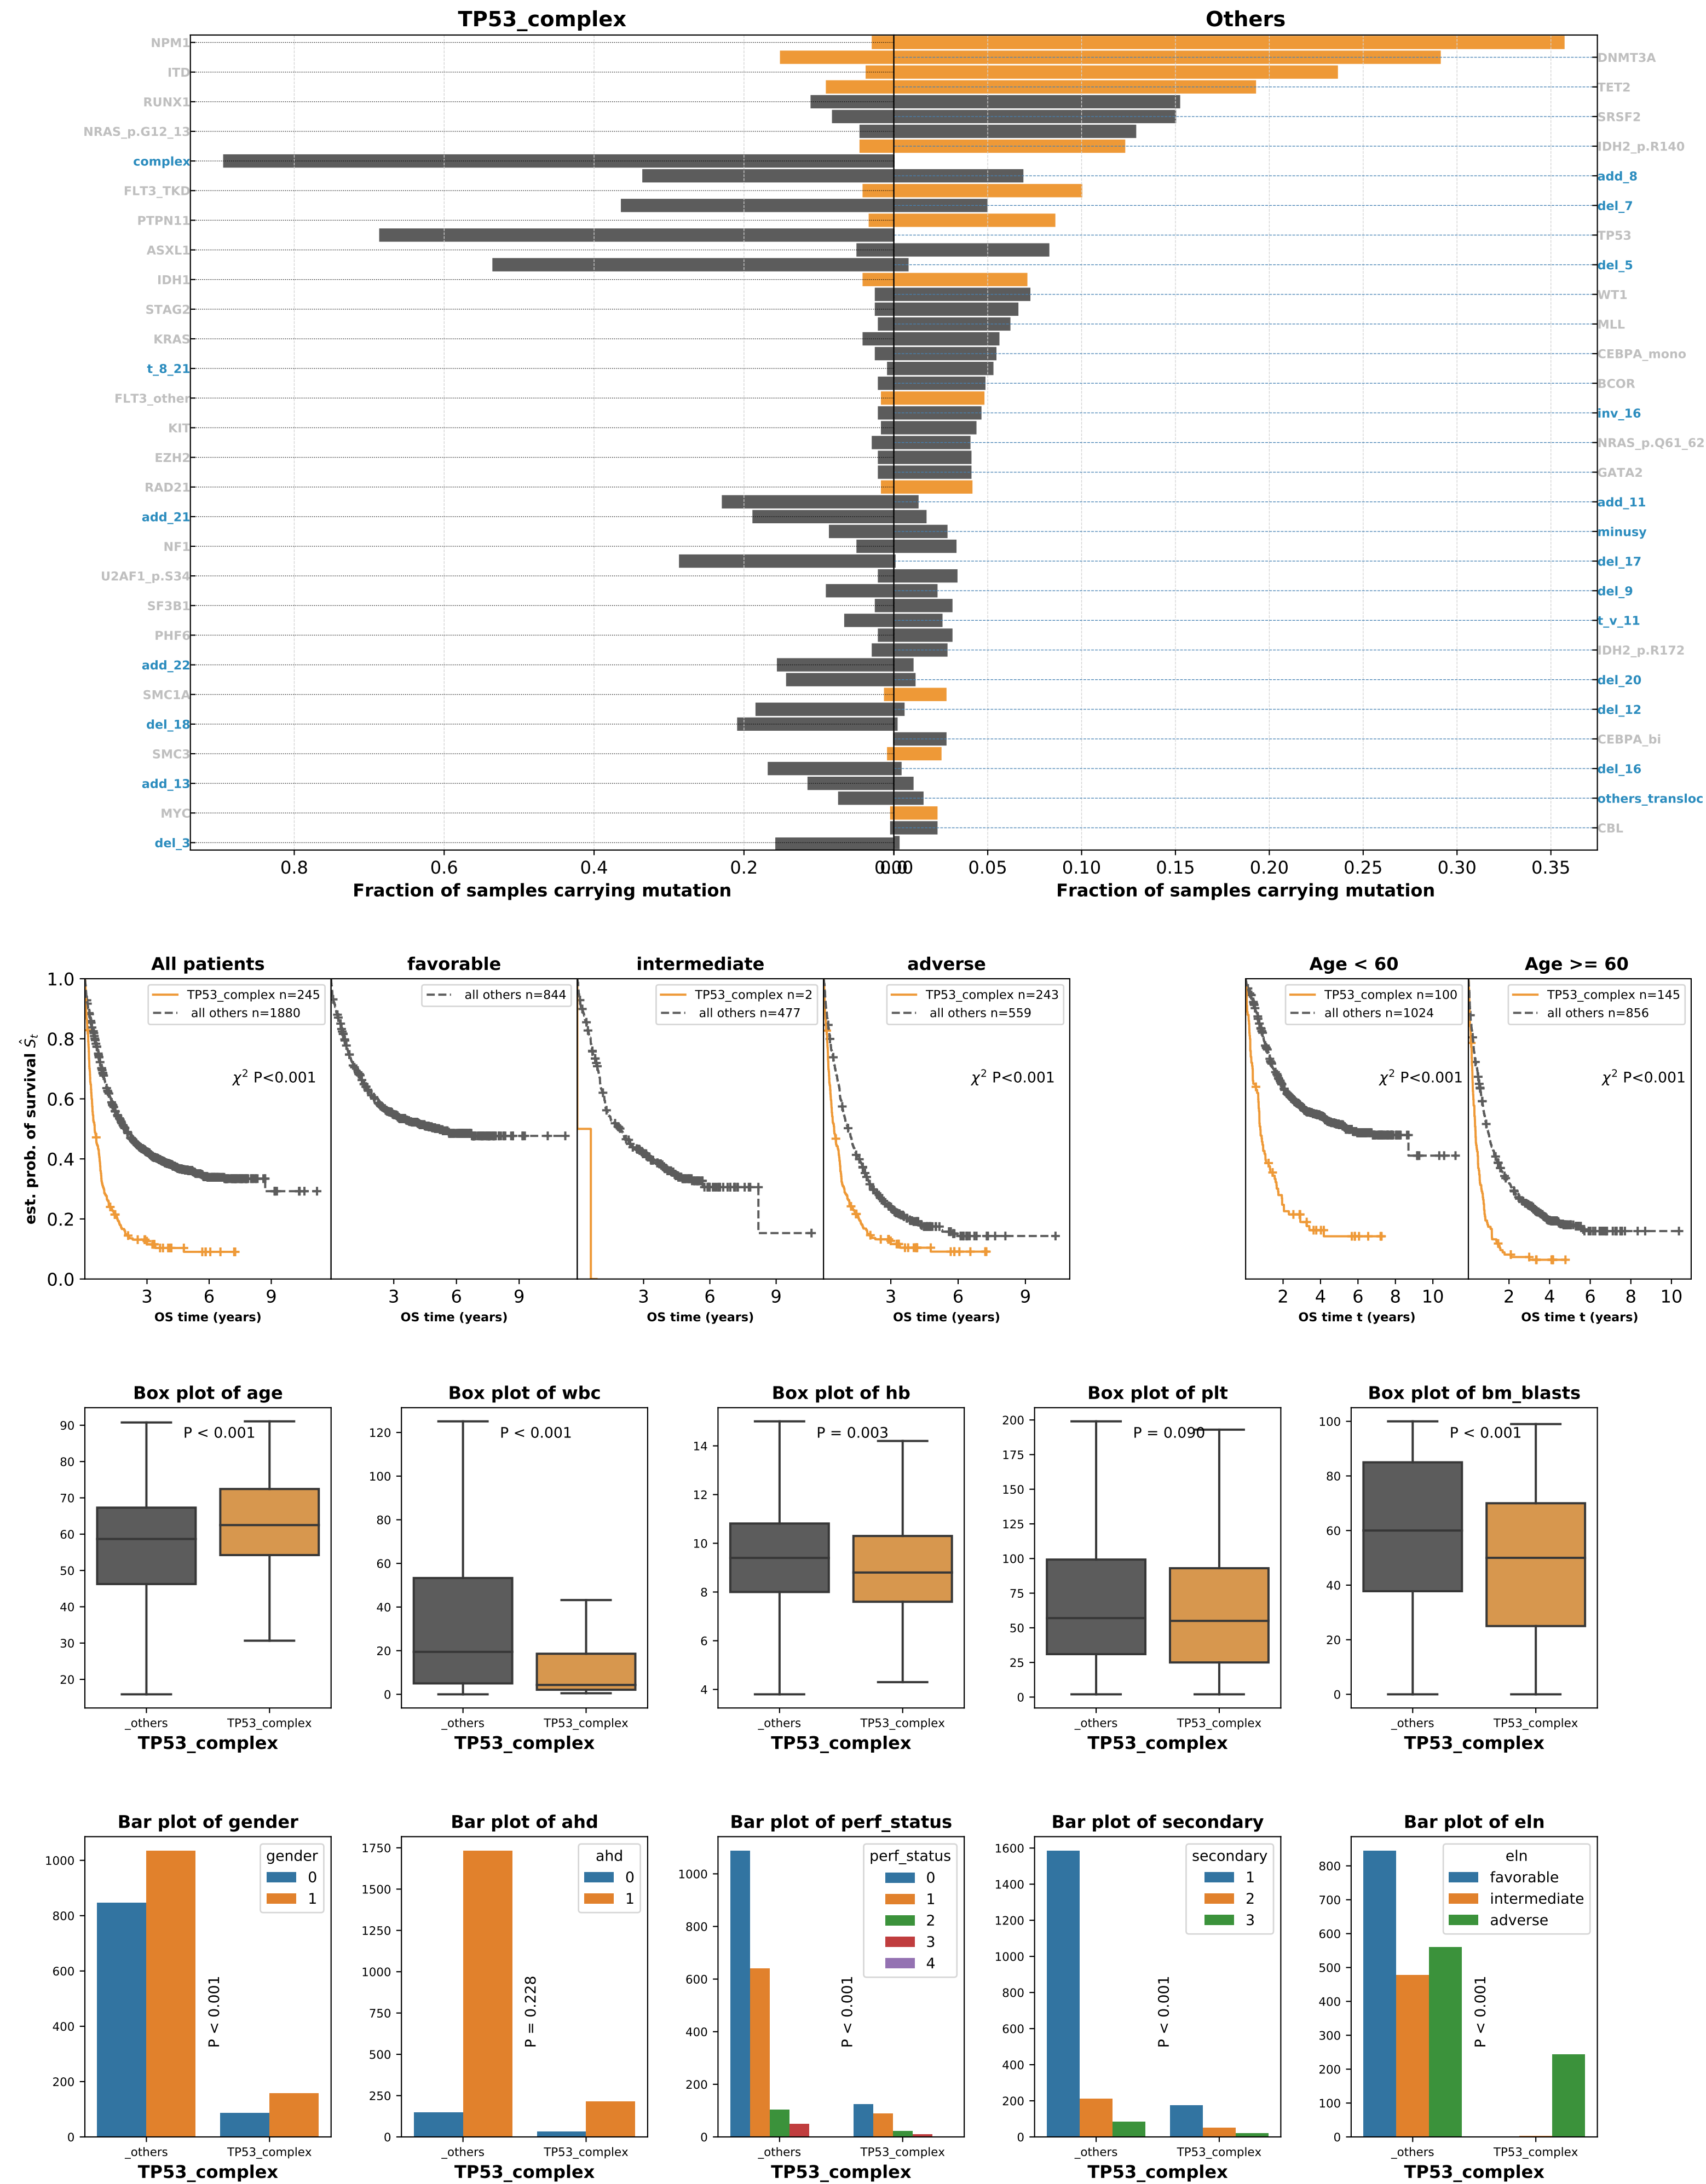

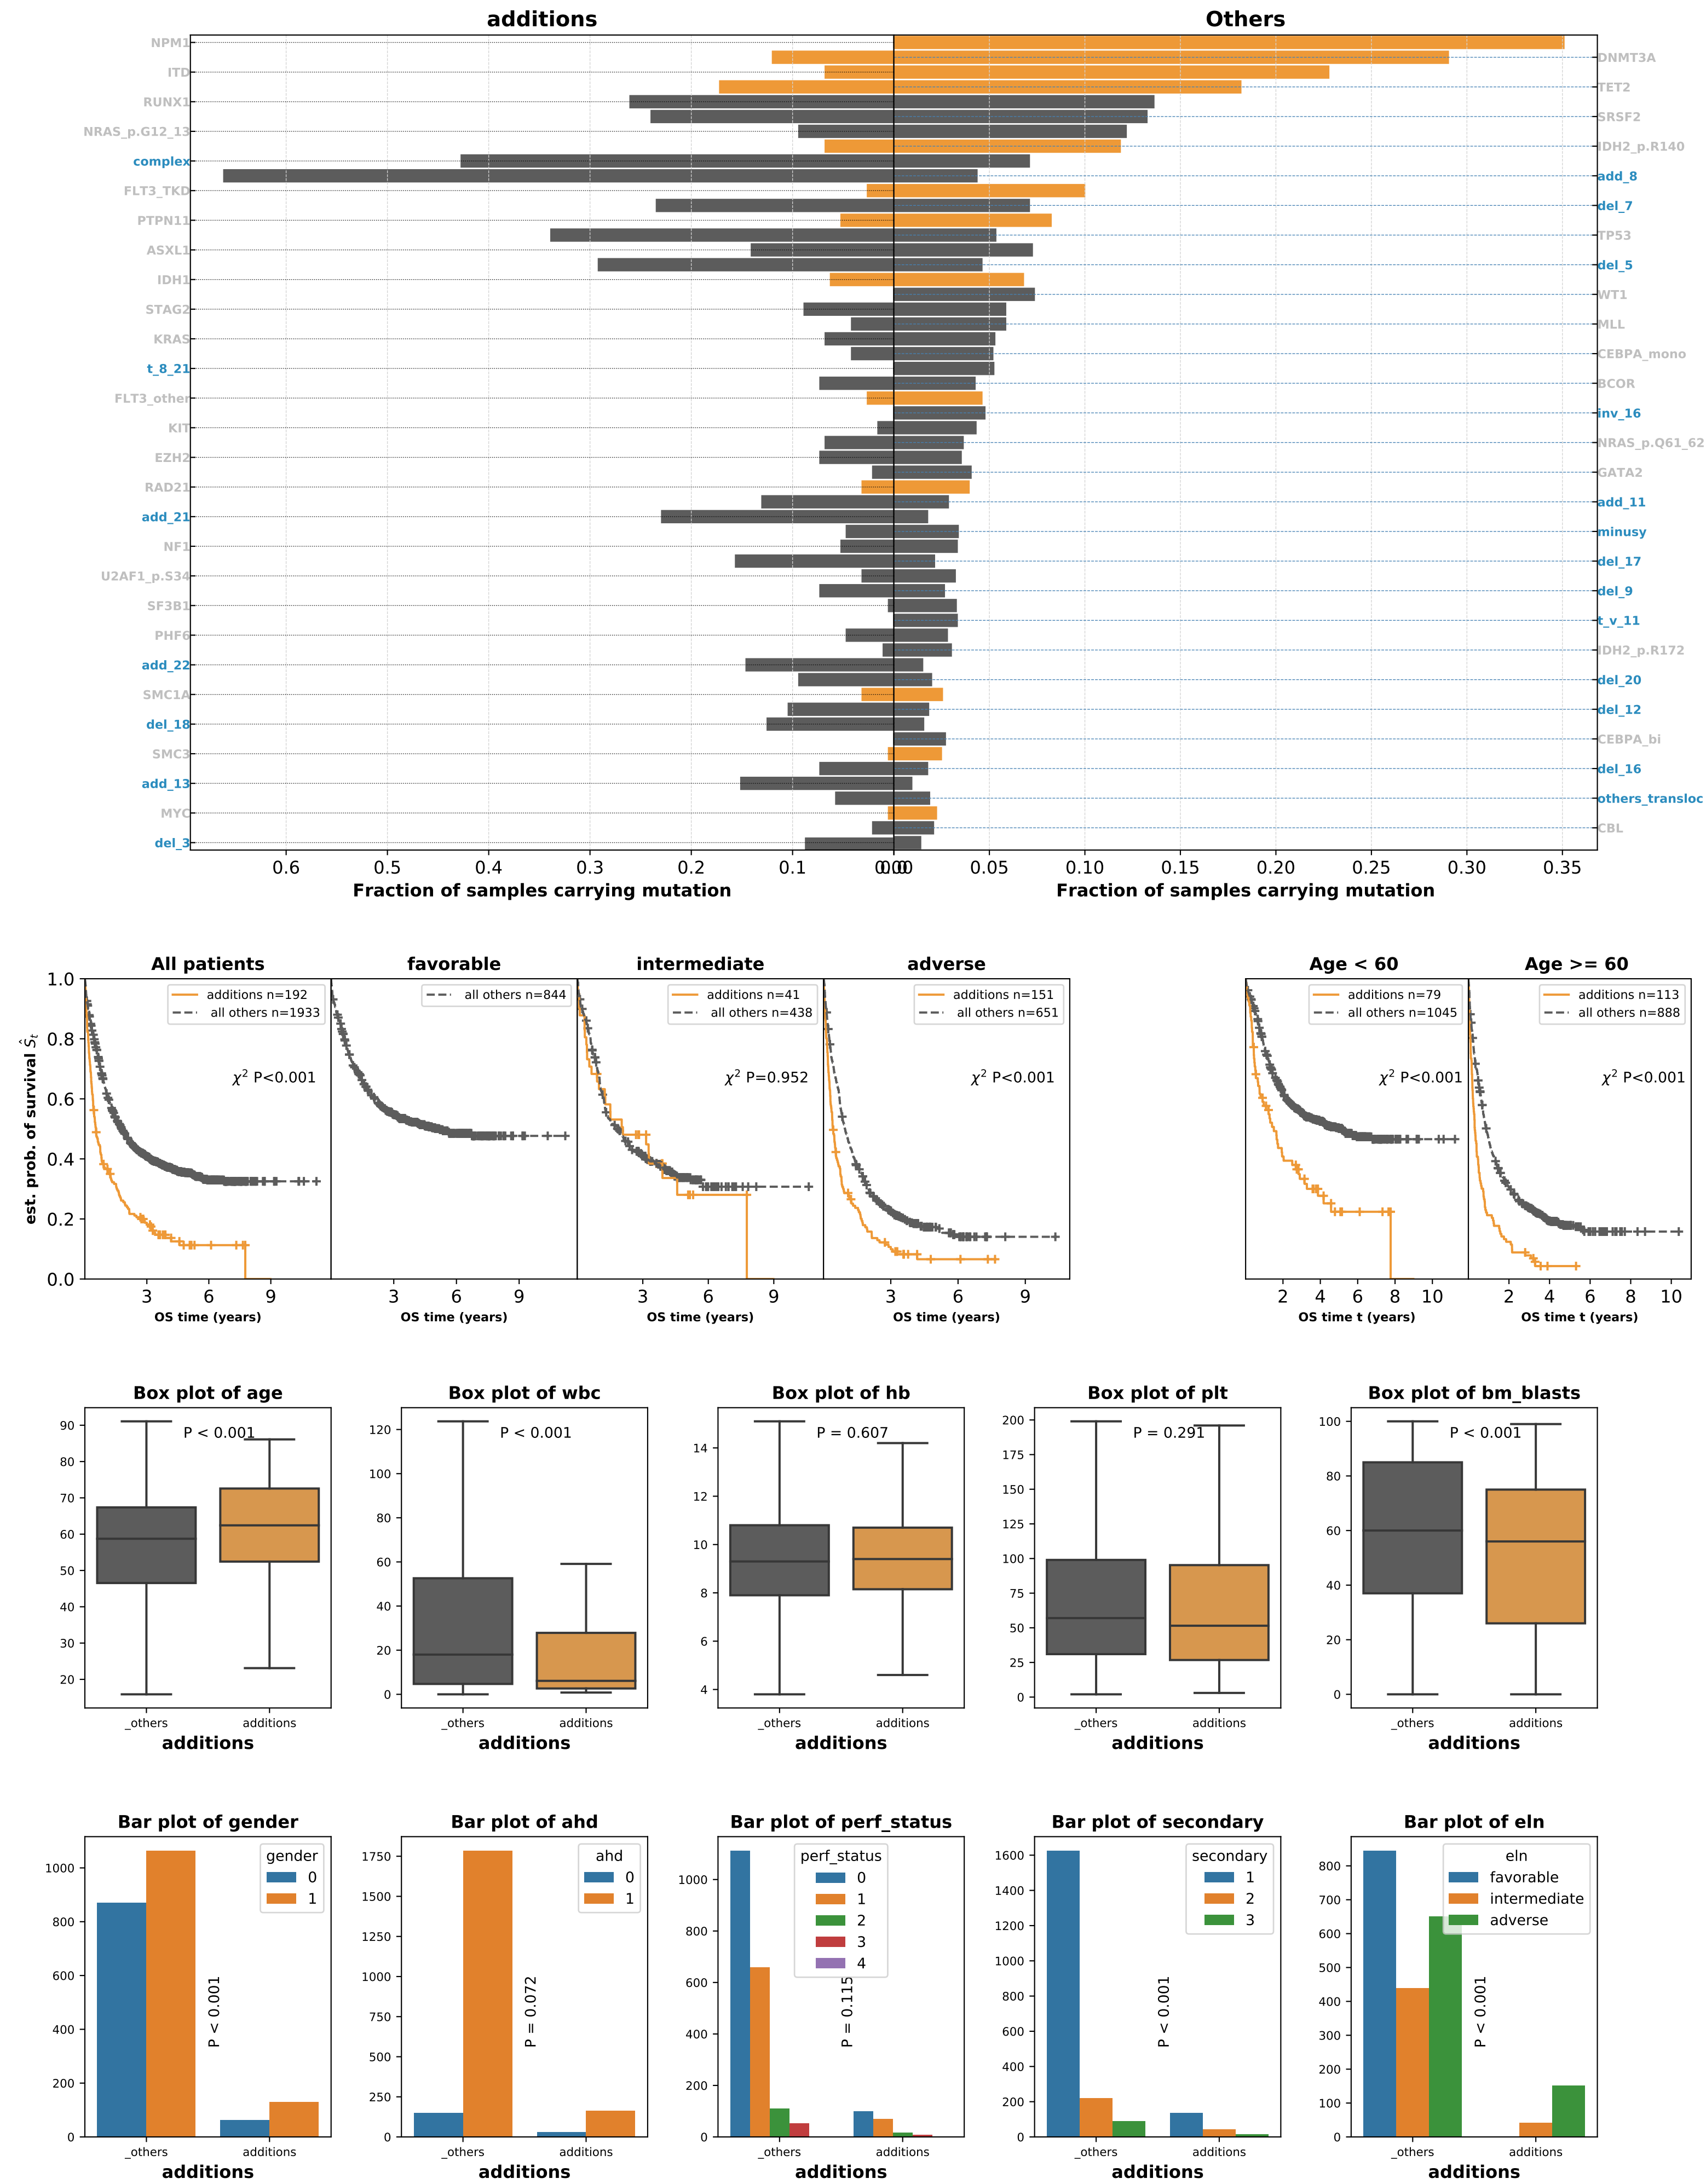

Table of classification, barplot of comutations, KM curves , box plots and bar plots for additions

### Table of classification, barplot of comutations, KM curves , box plots and bar plots for no\_events

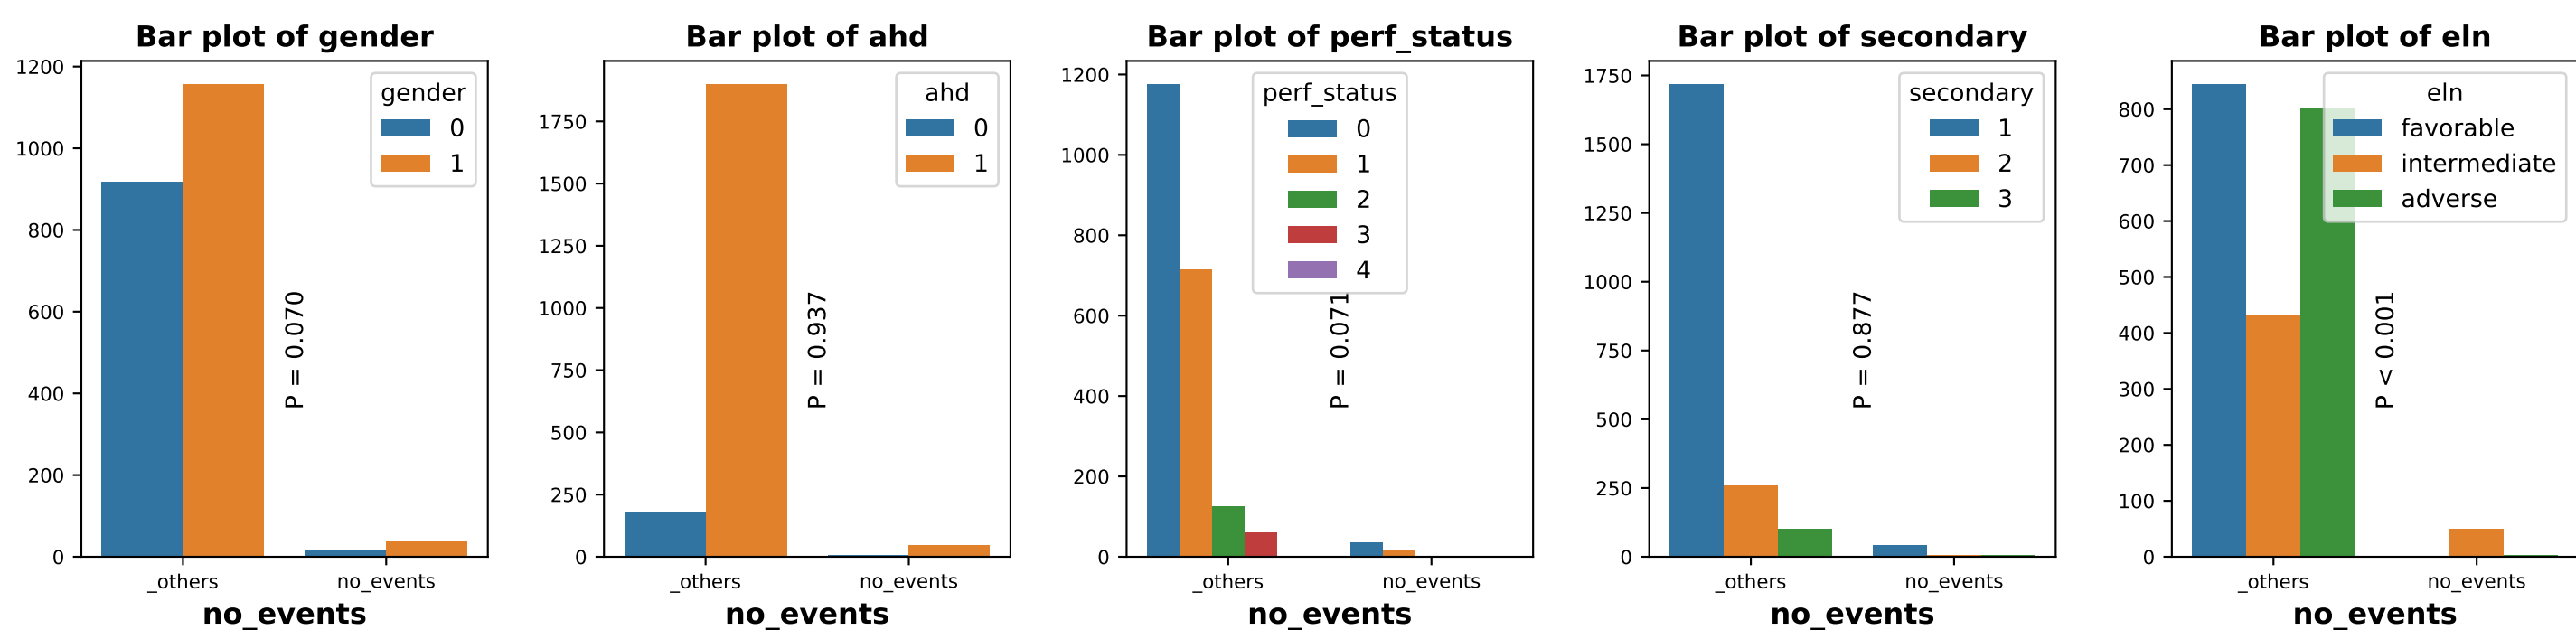

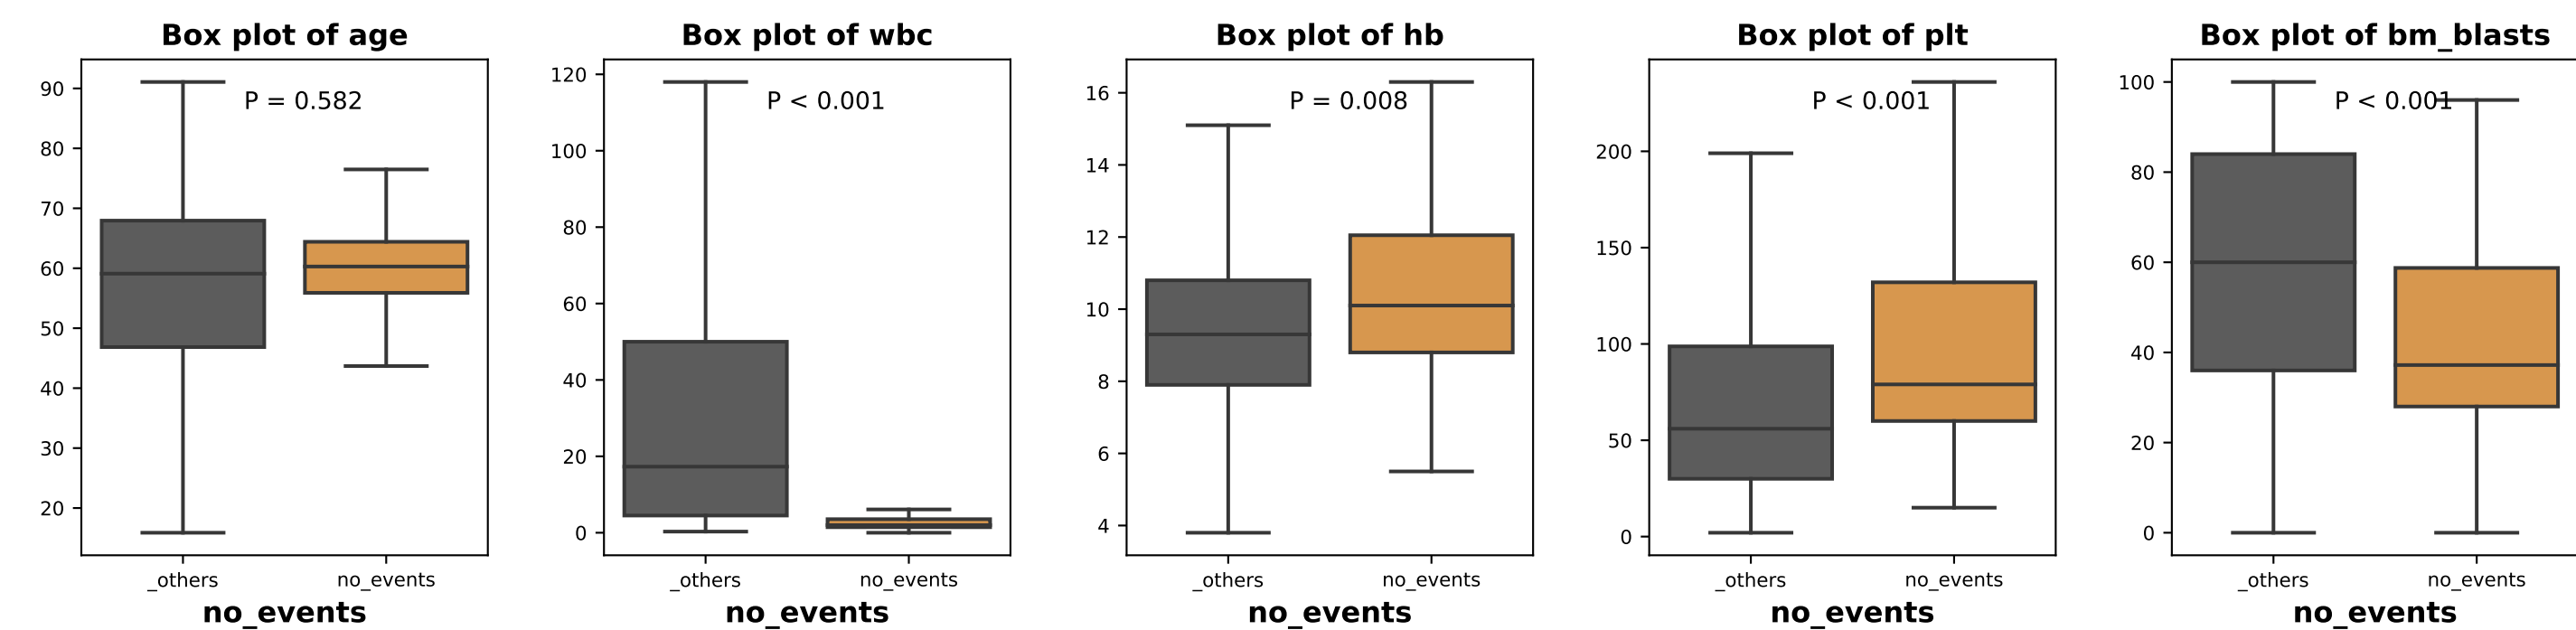

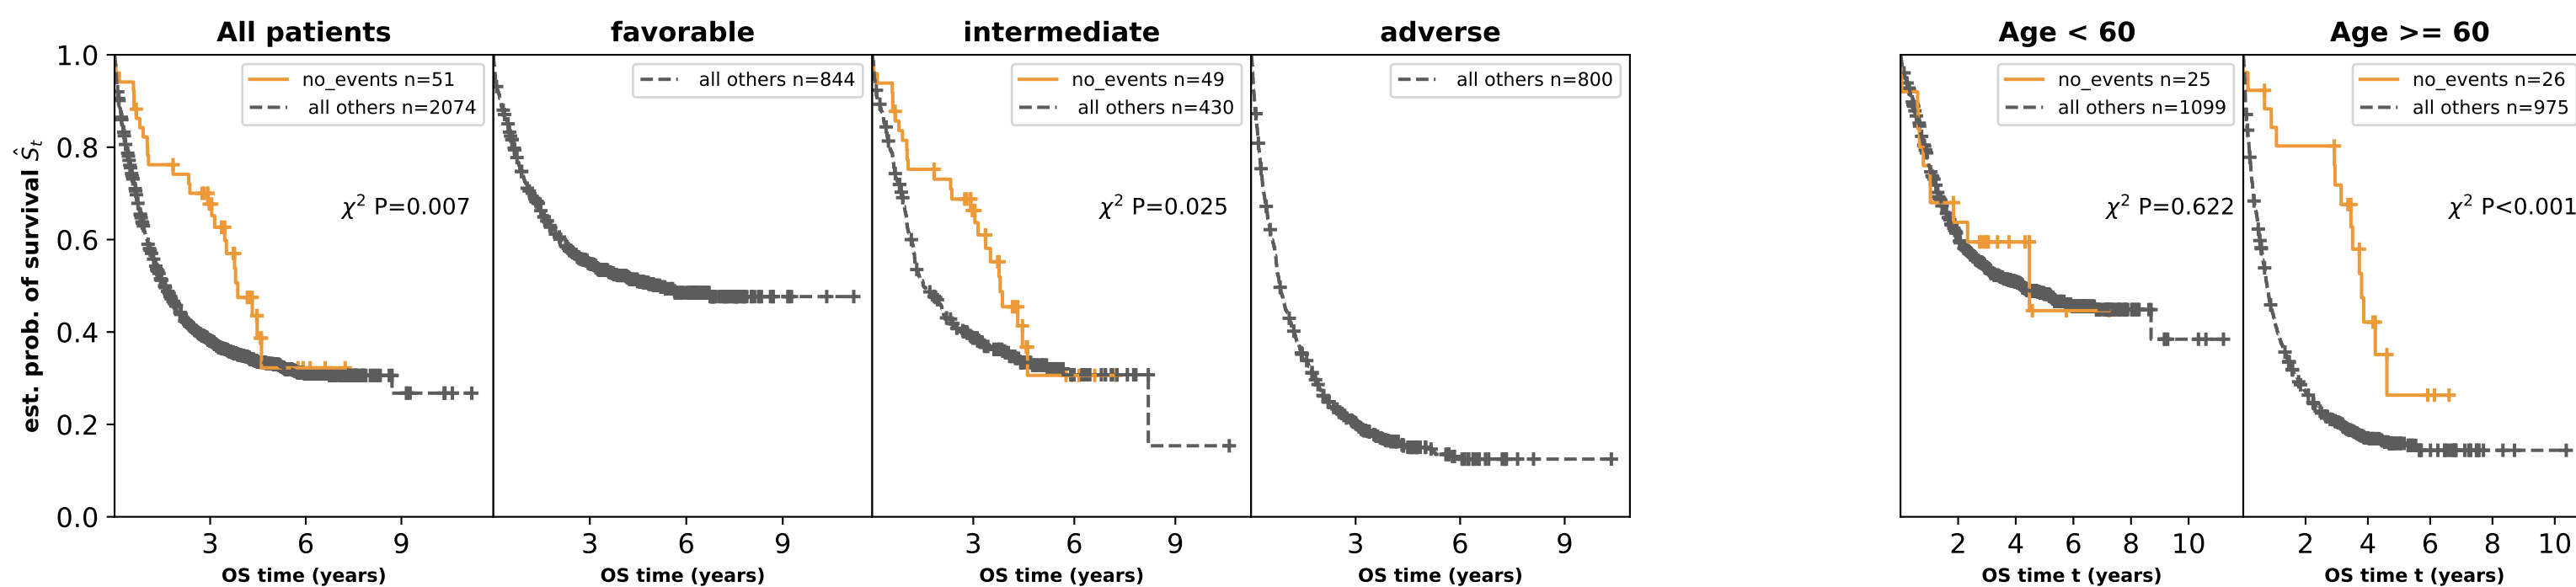

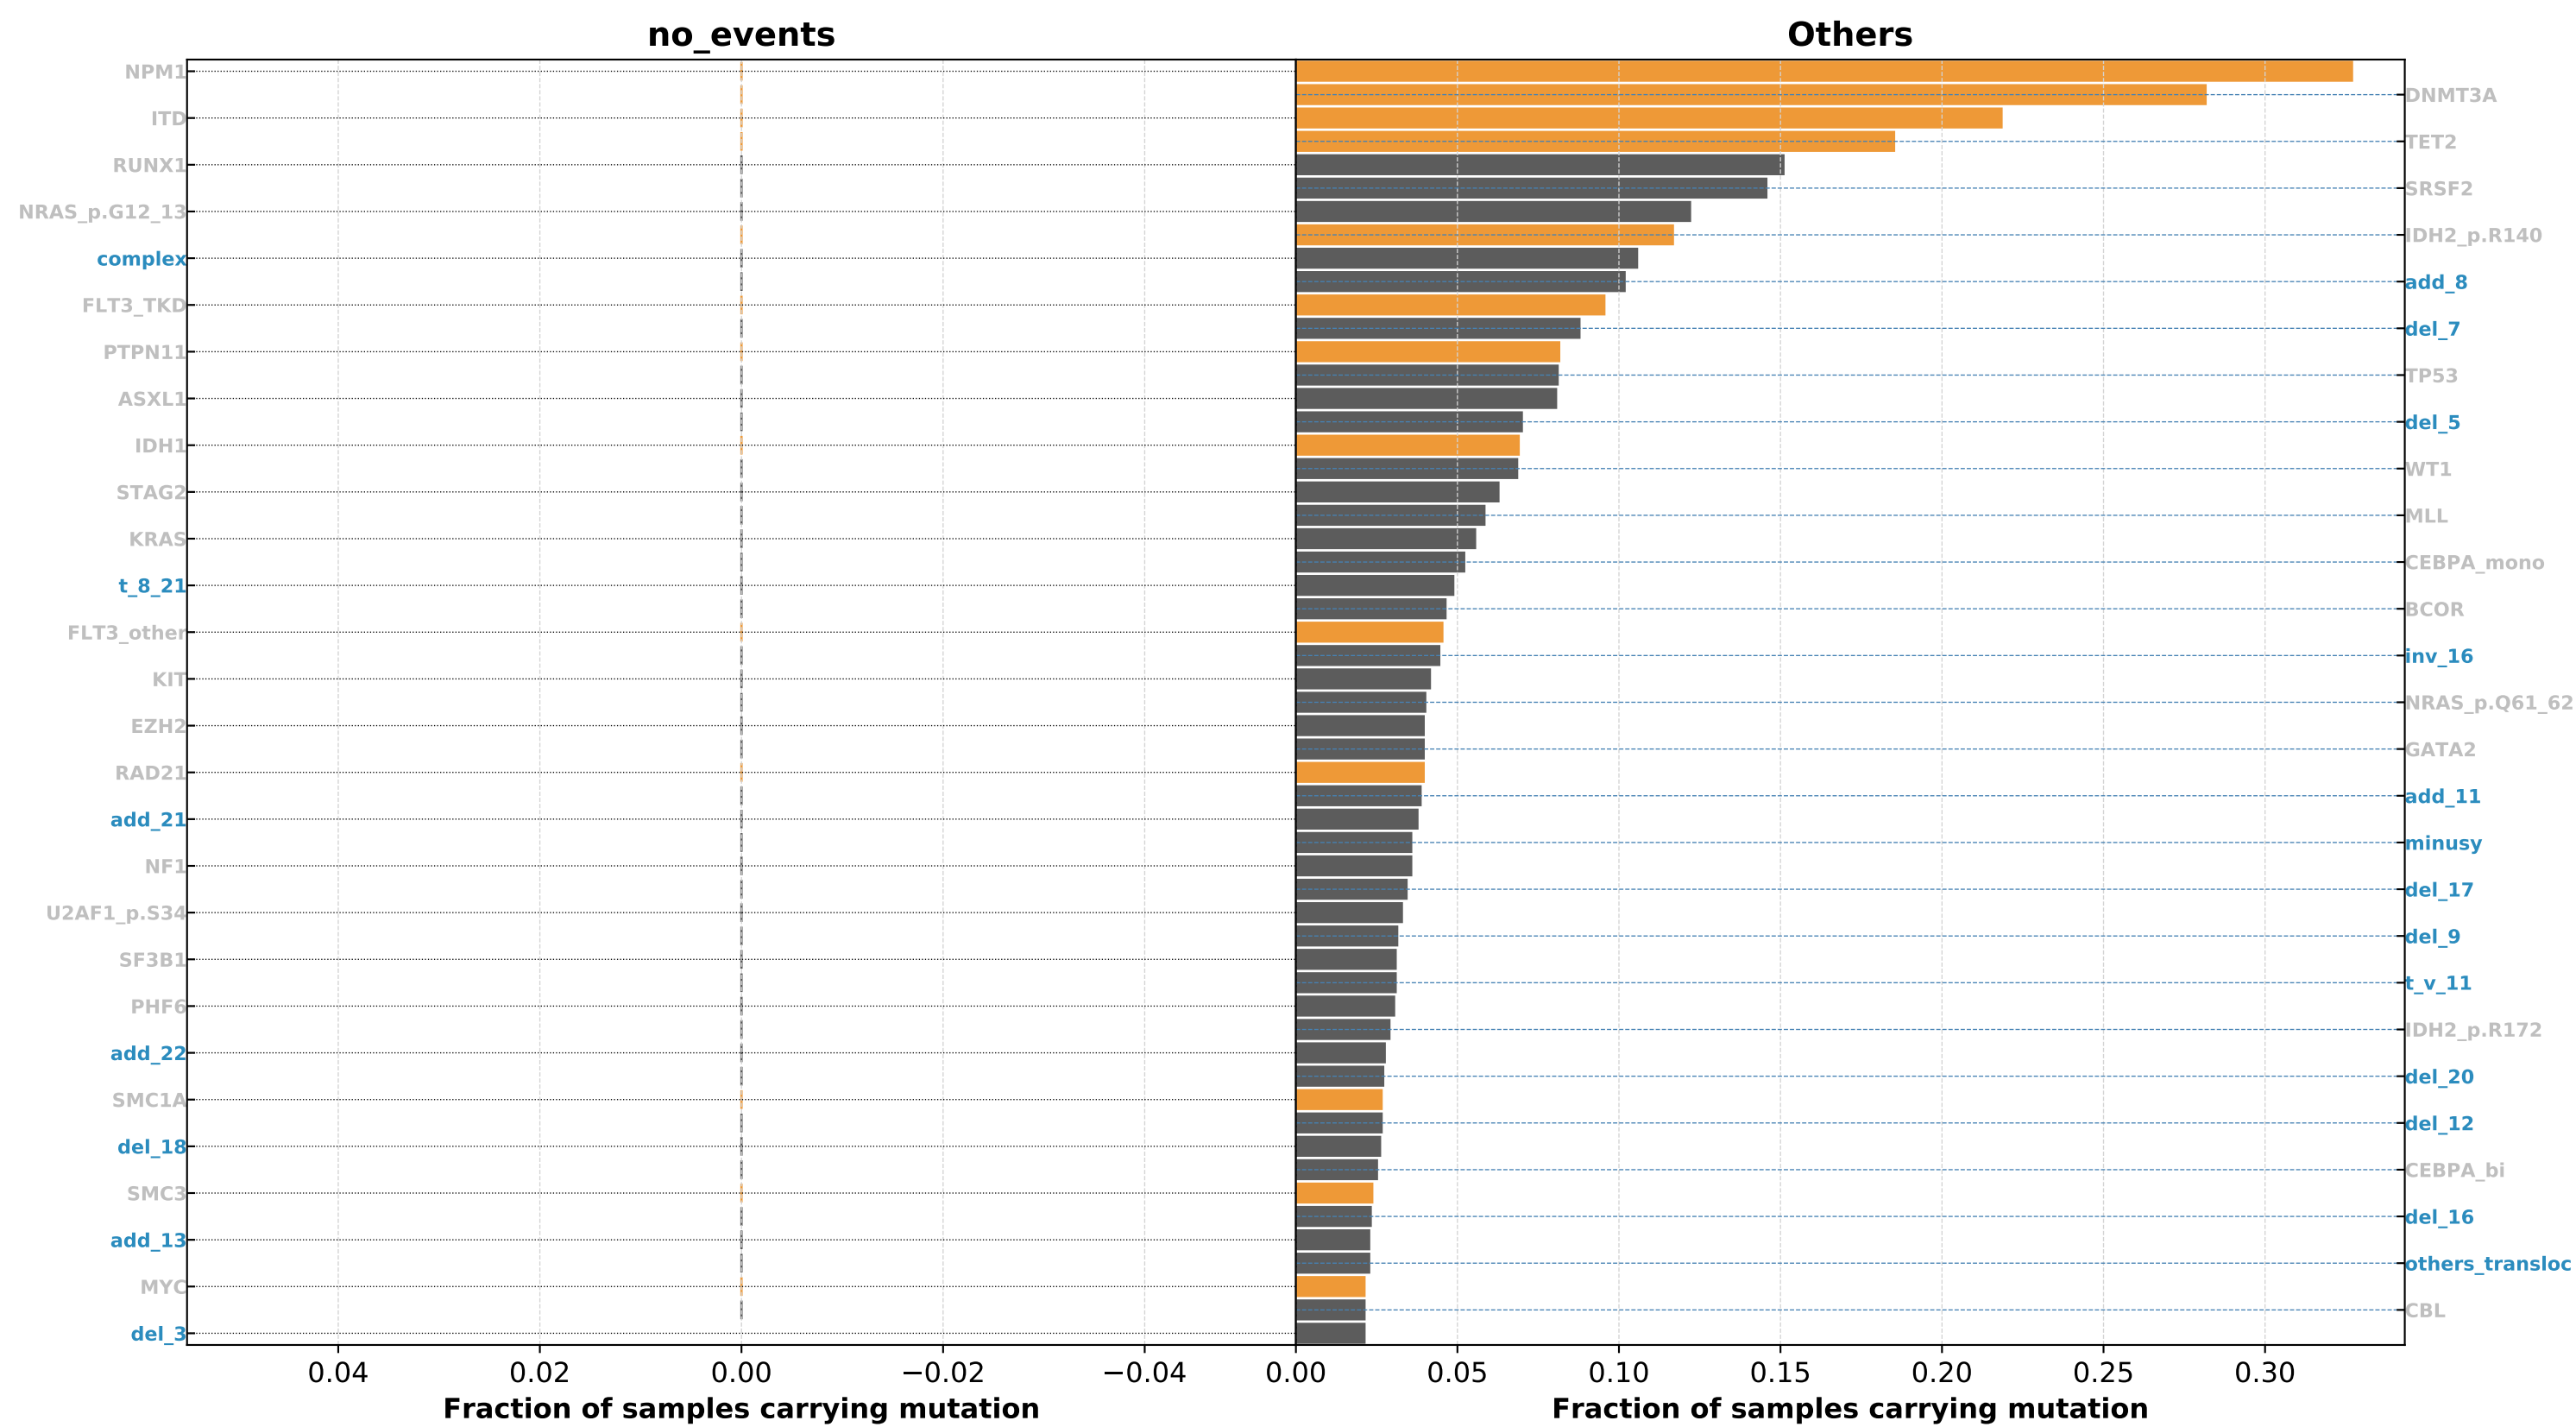

Table of classification, barplot of comutations, KM curves , box plots and bar plots for chr\_splicing\_1

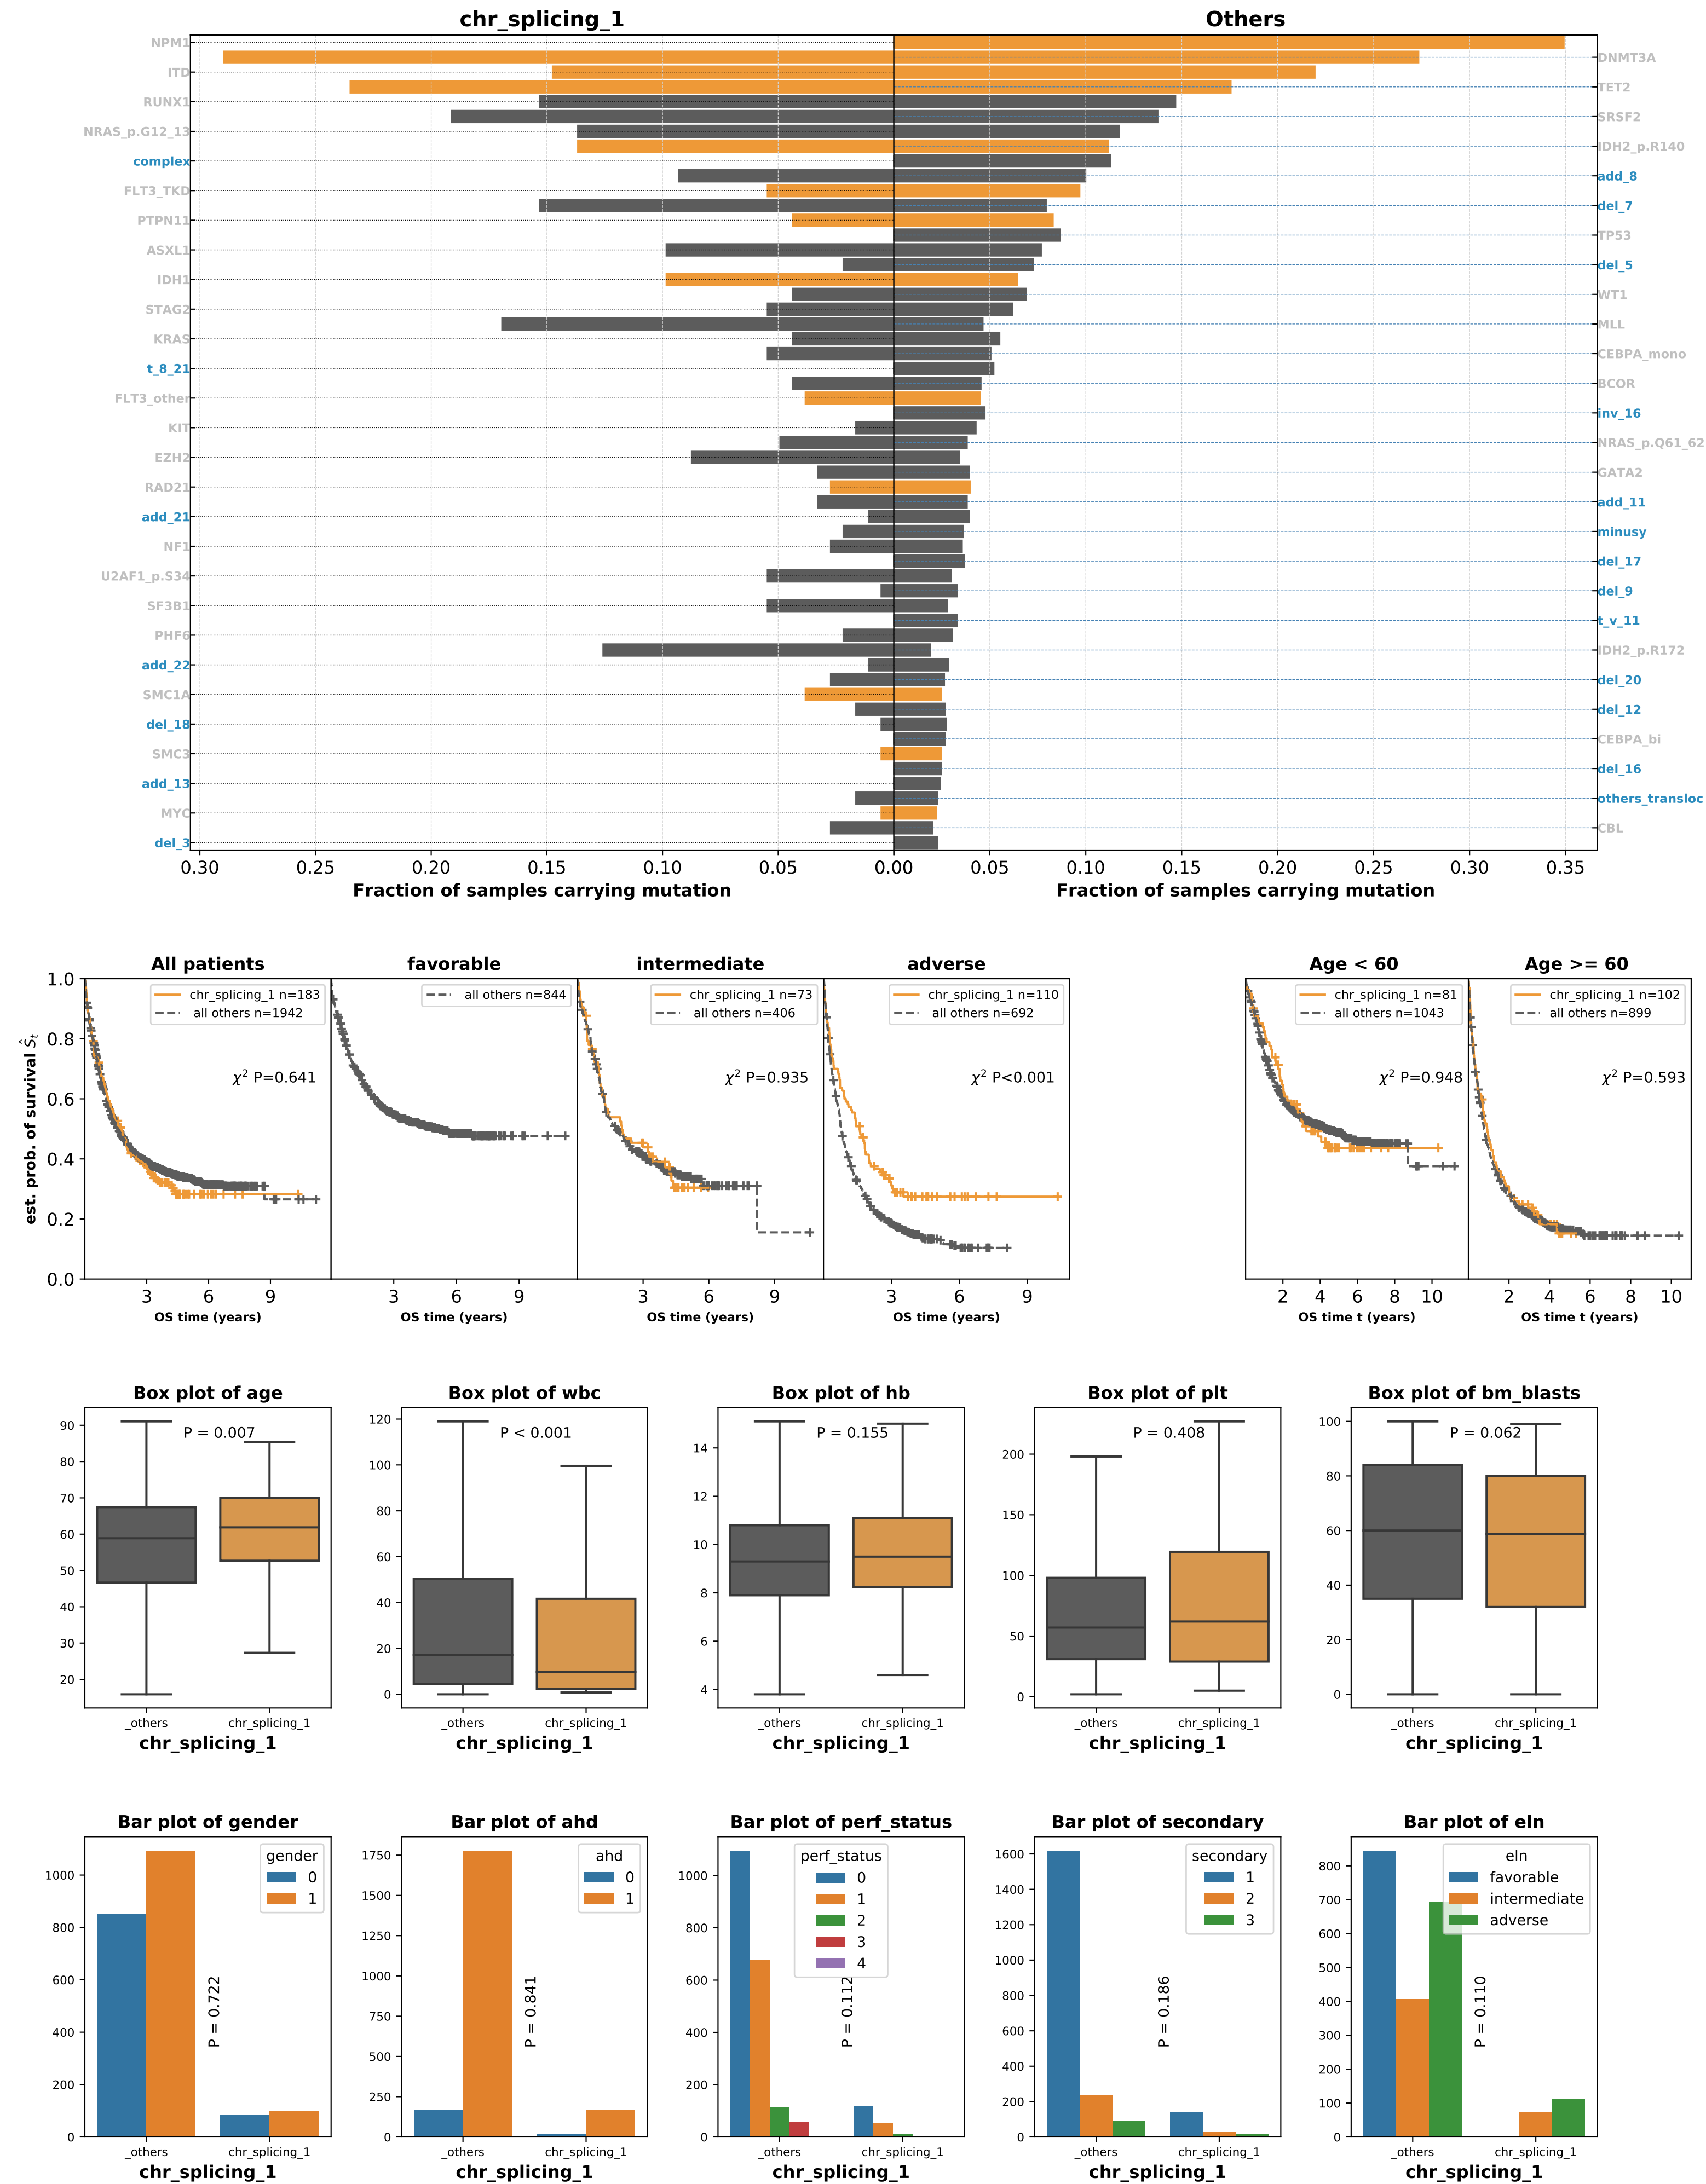

Table of classification, barplot of comutations, KM curves , box plots and bar plots for CEBPA\_bi

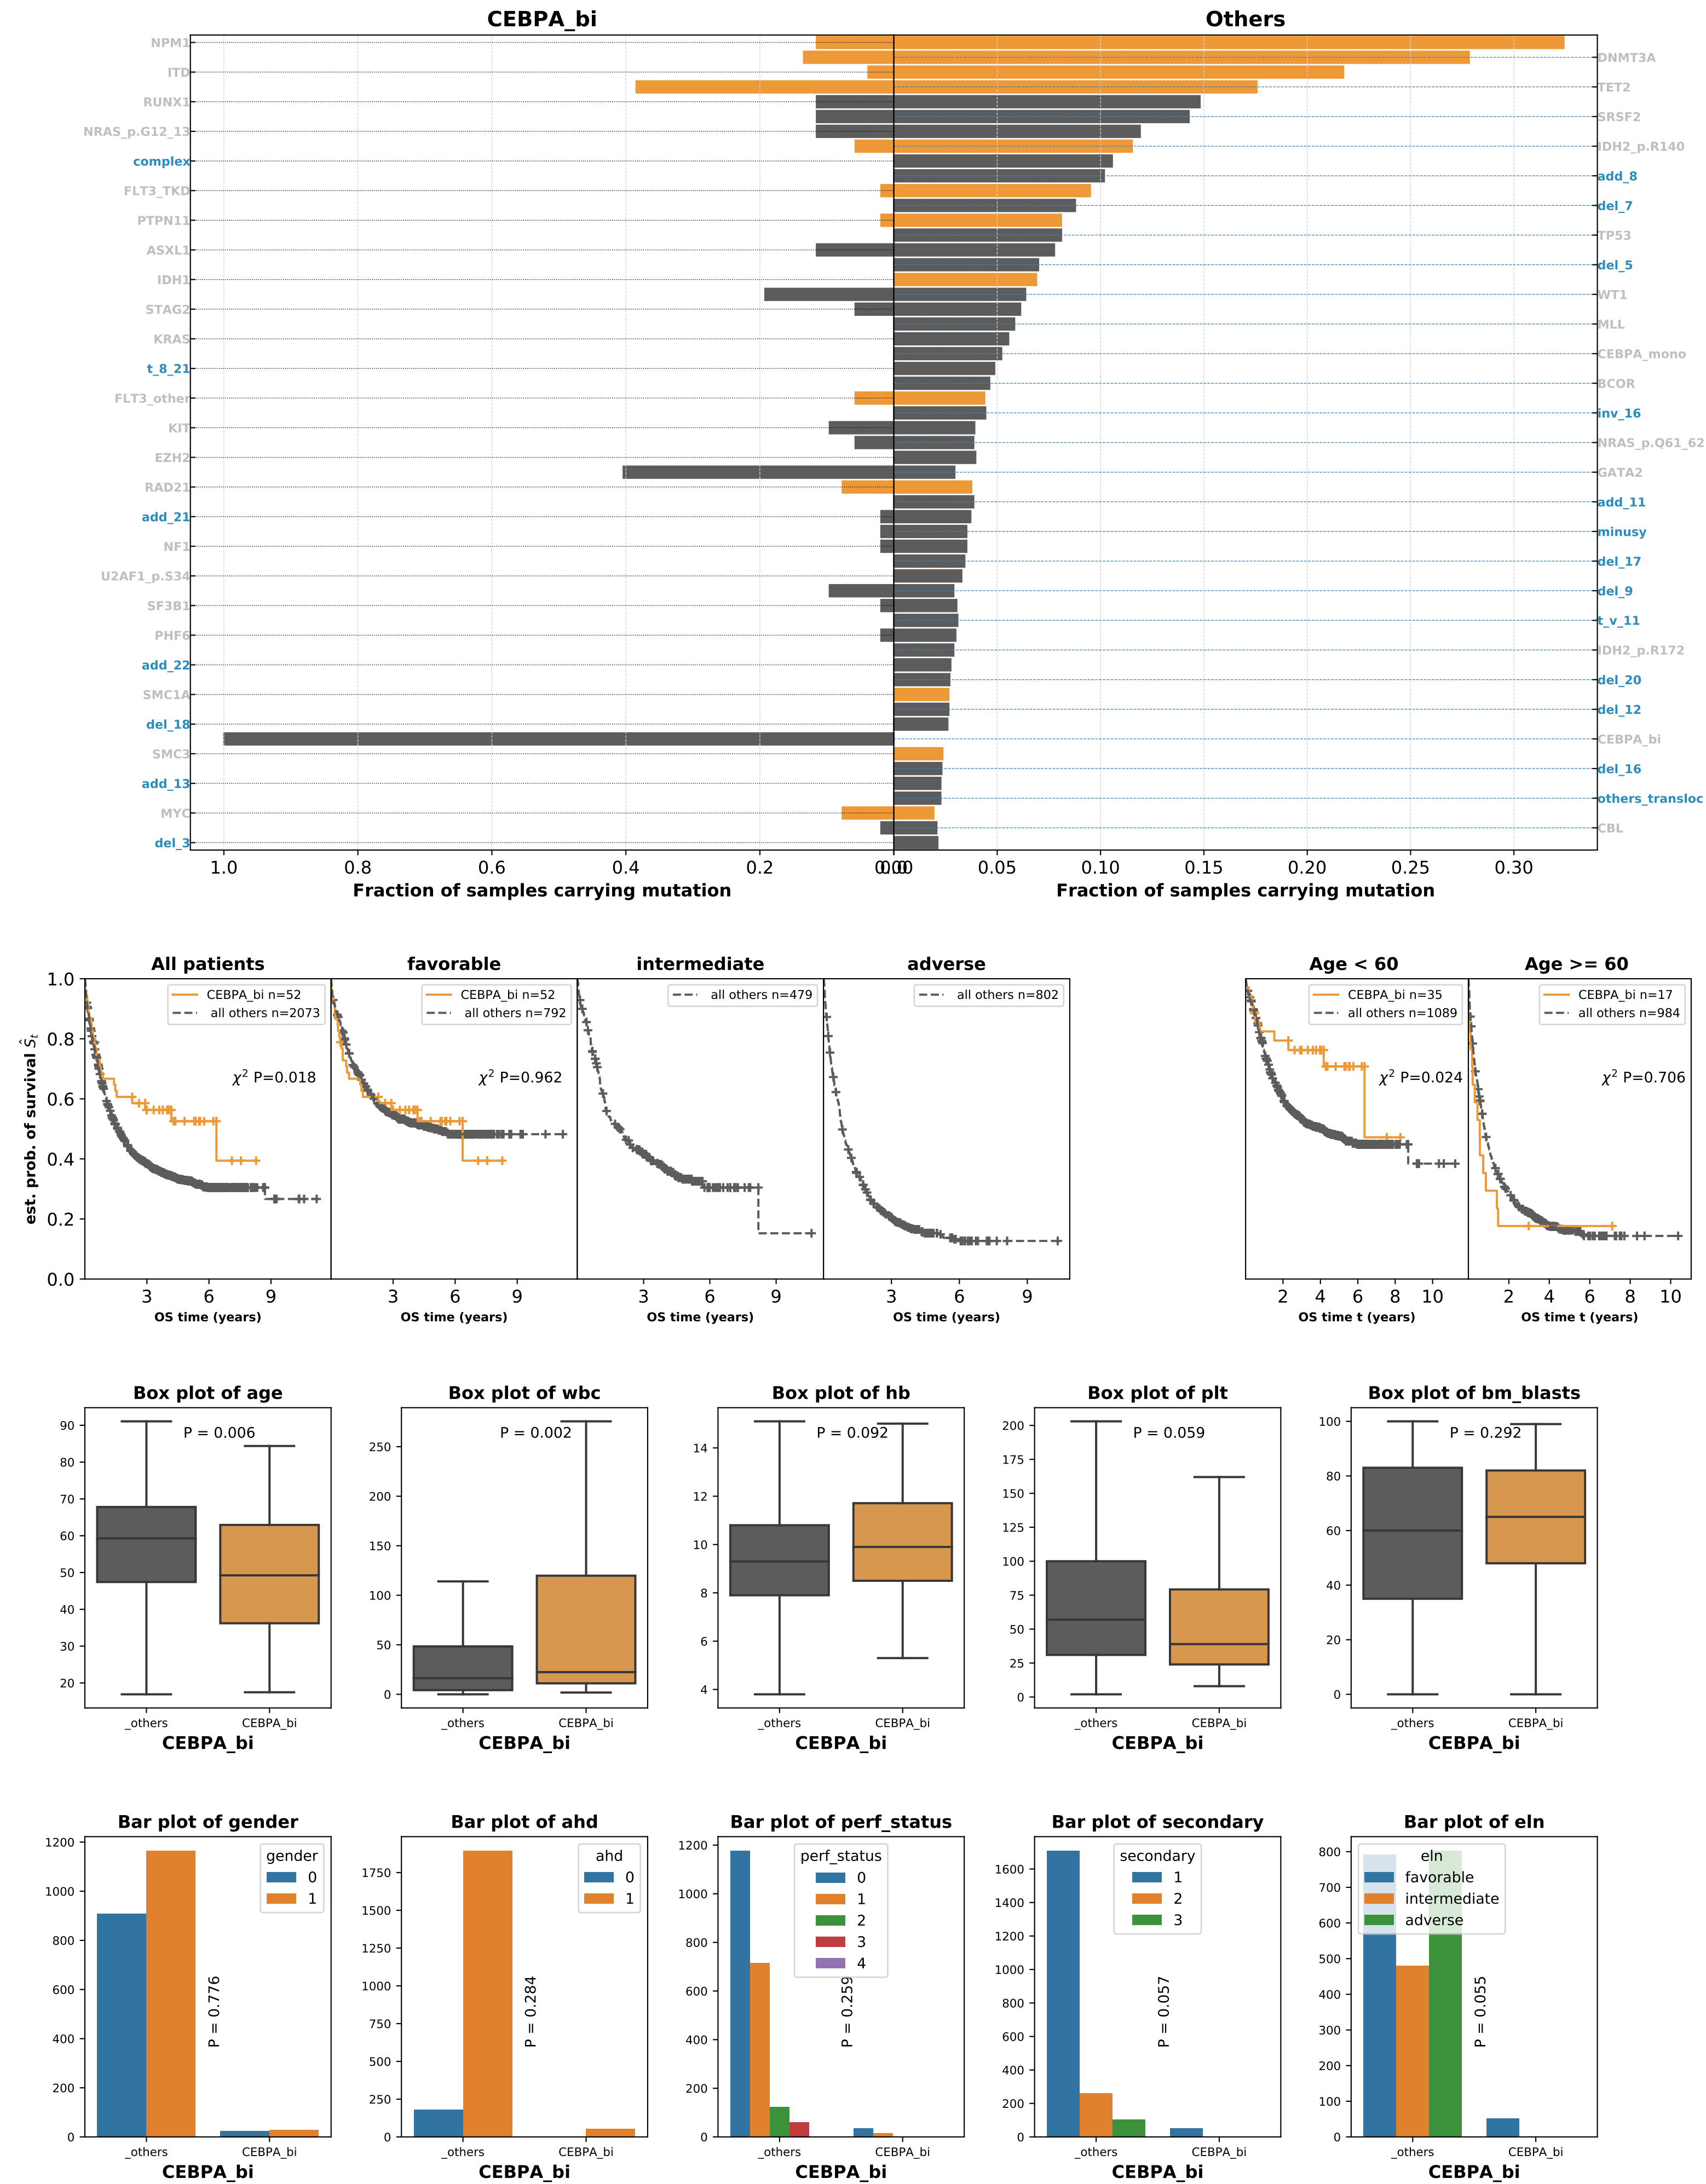

Table of classification, barplot of comutations, KM curves , box plots and bar plots for DNMT3A\_IDH1\_2

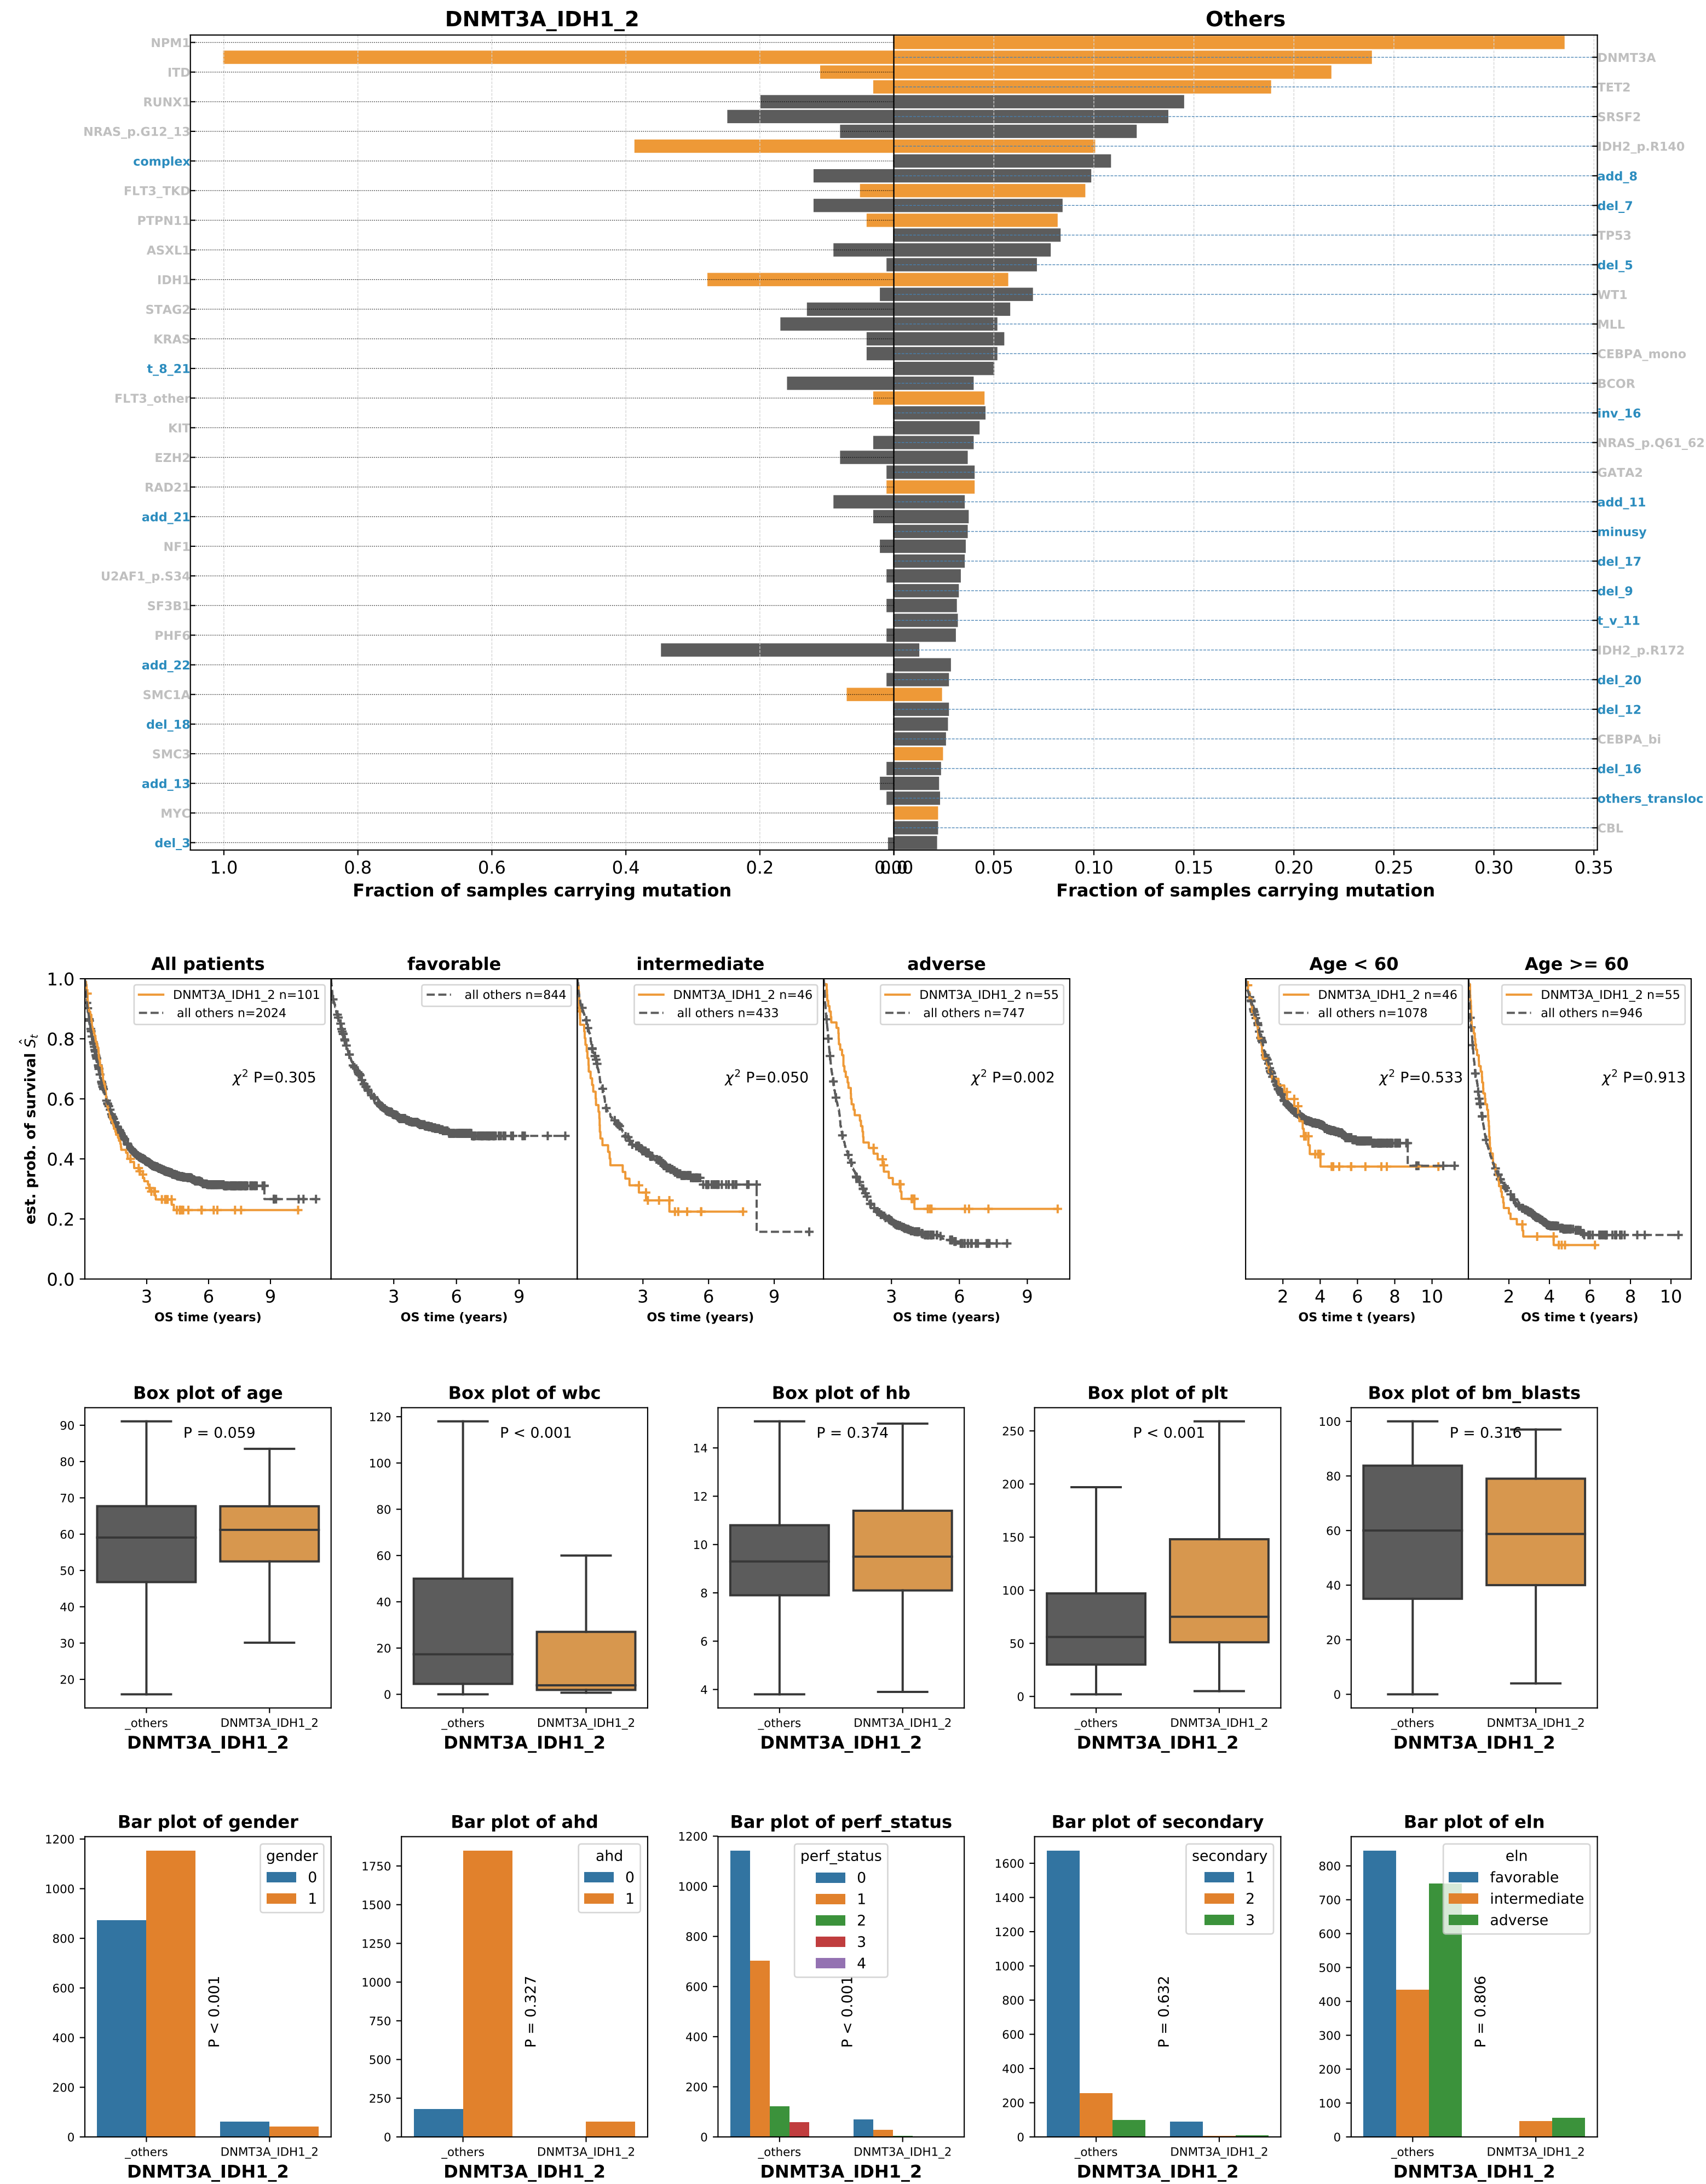

Table of classification, barplot of comutations, KM curves , box plots and bar plots for not\_assigned

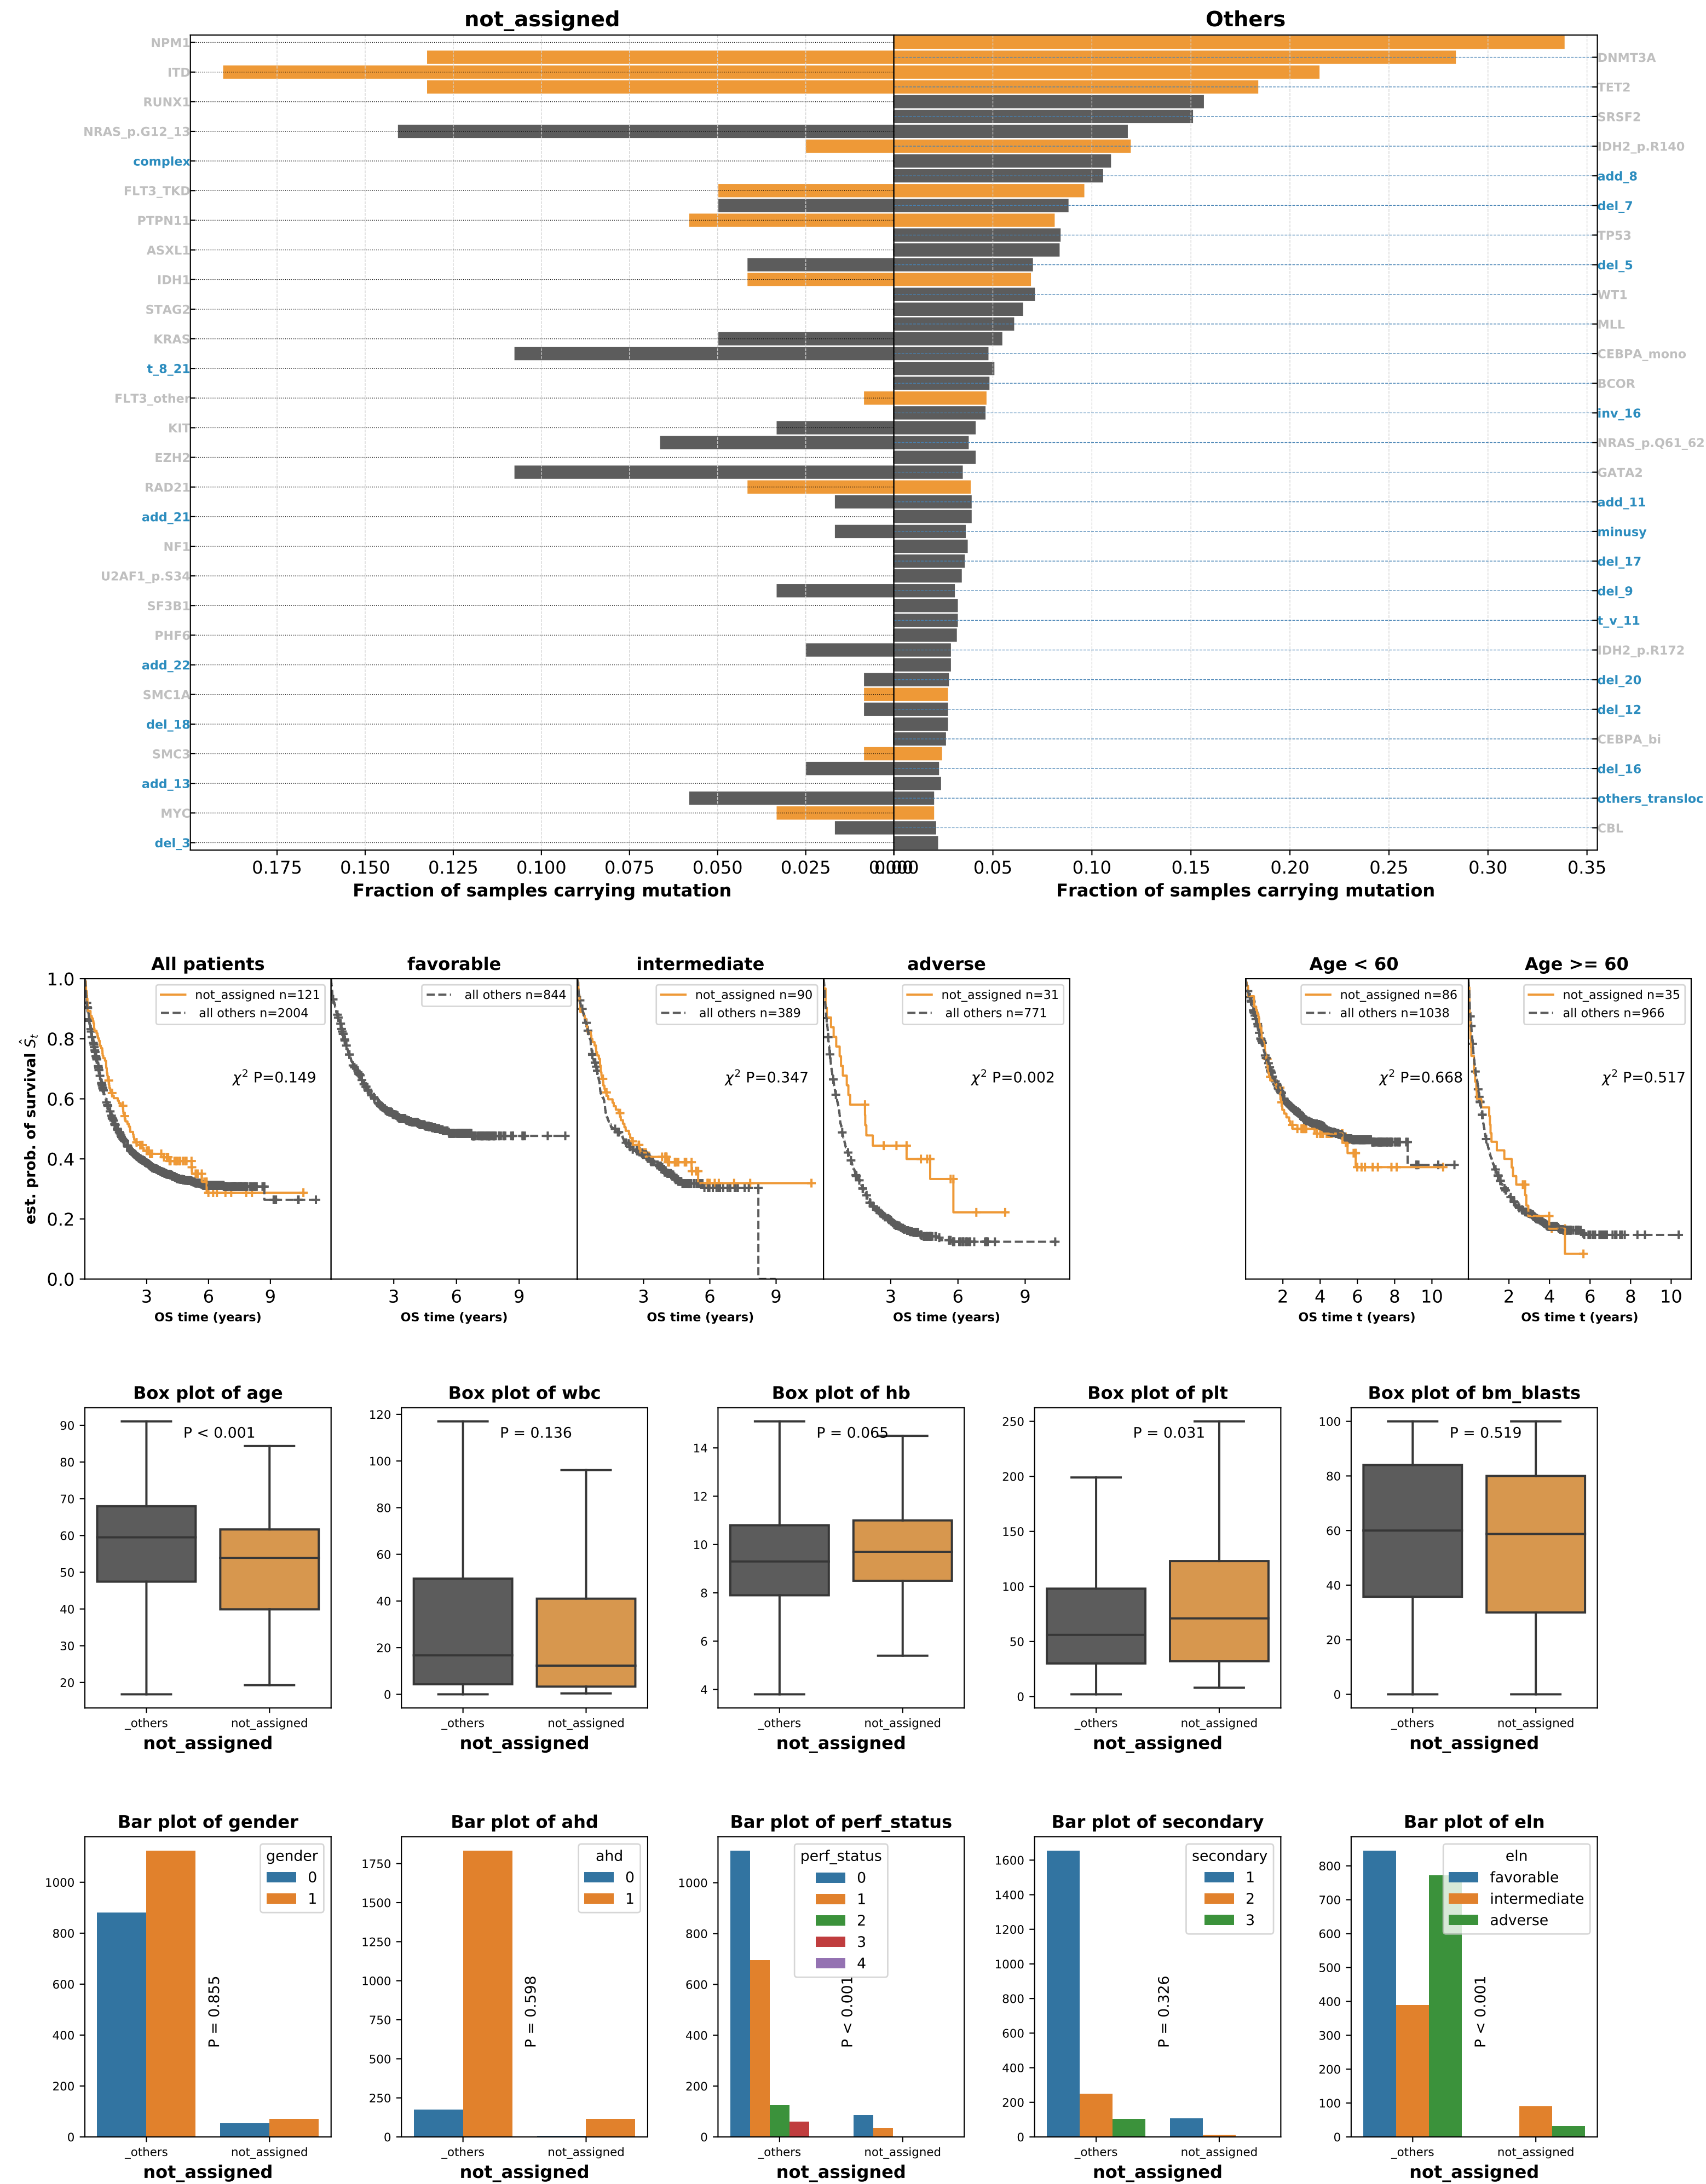

Table of classification, barplot of comutations, KM curves , box plots and bar plots for inv\_3

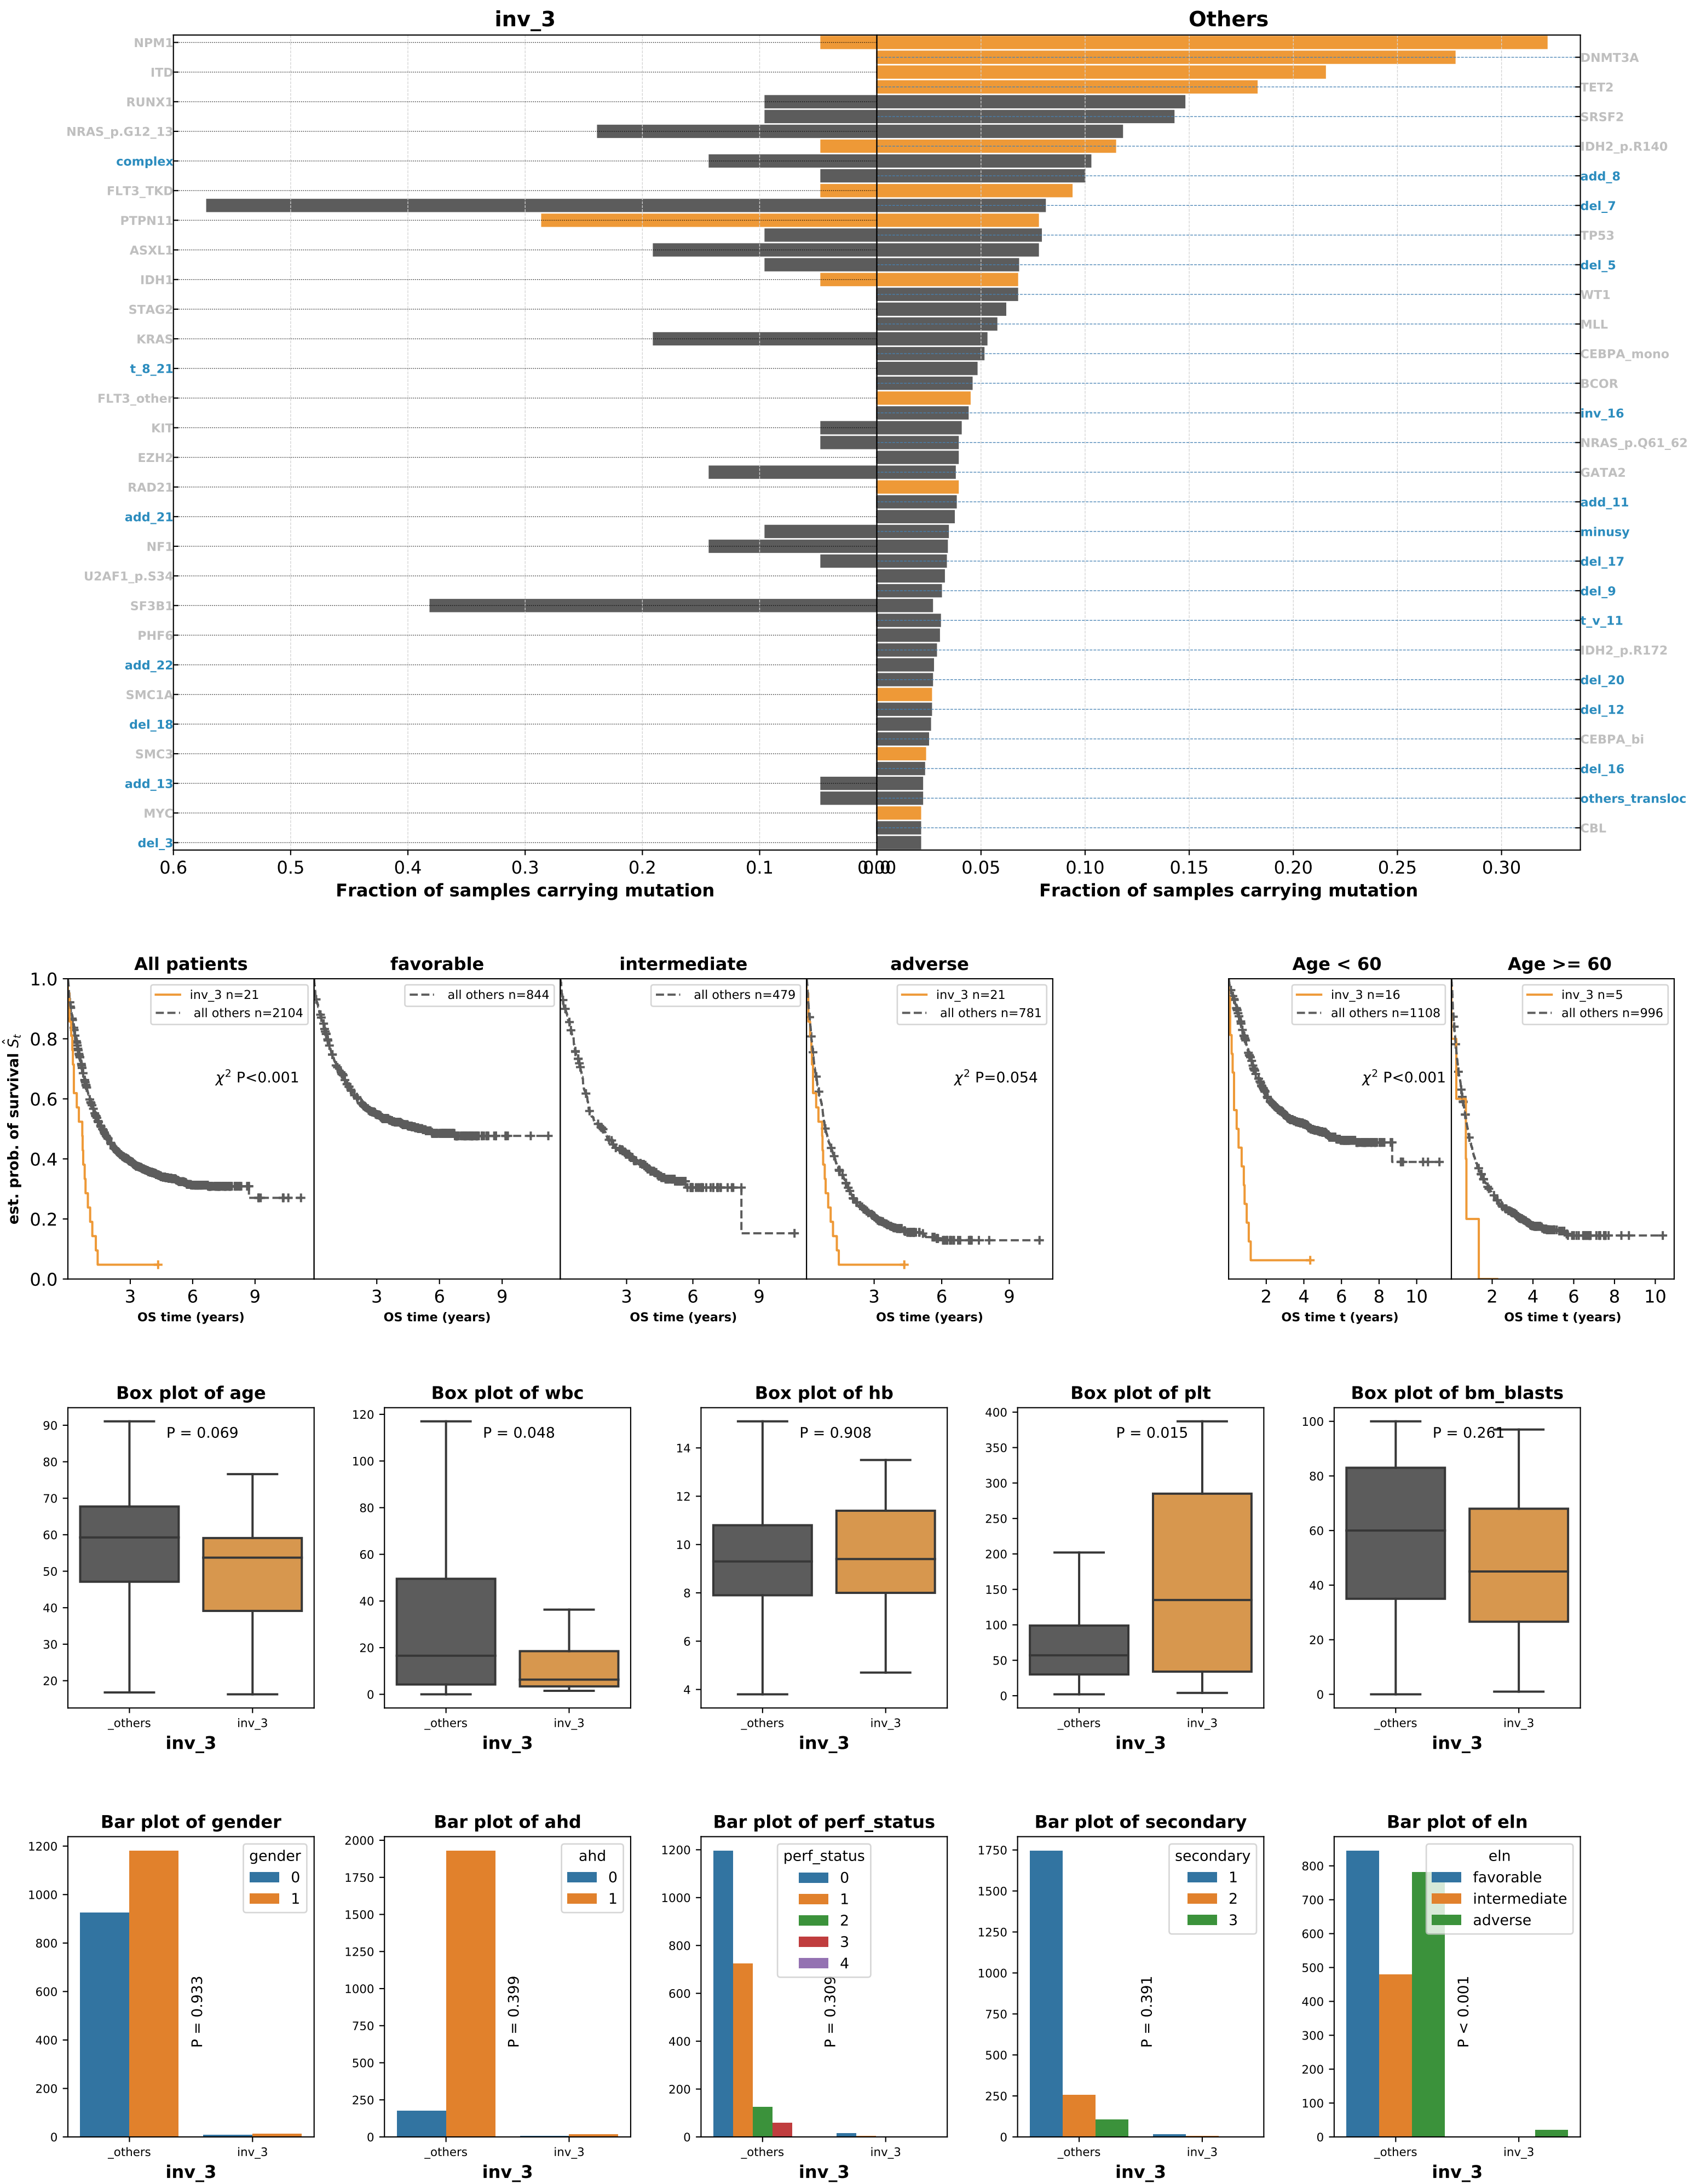

Table of classification, barplot of comutations, KM curves , box plots and bar plots for WT1

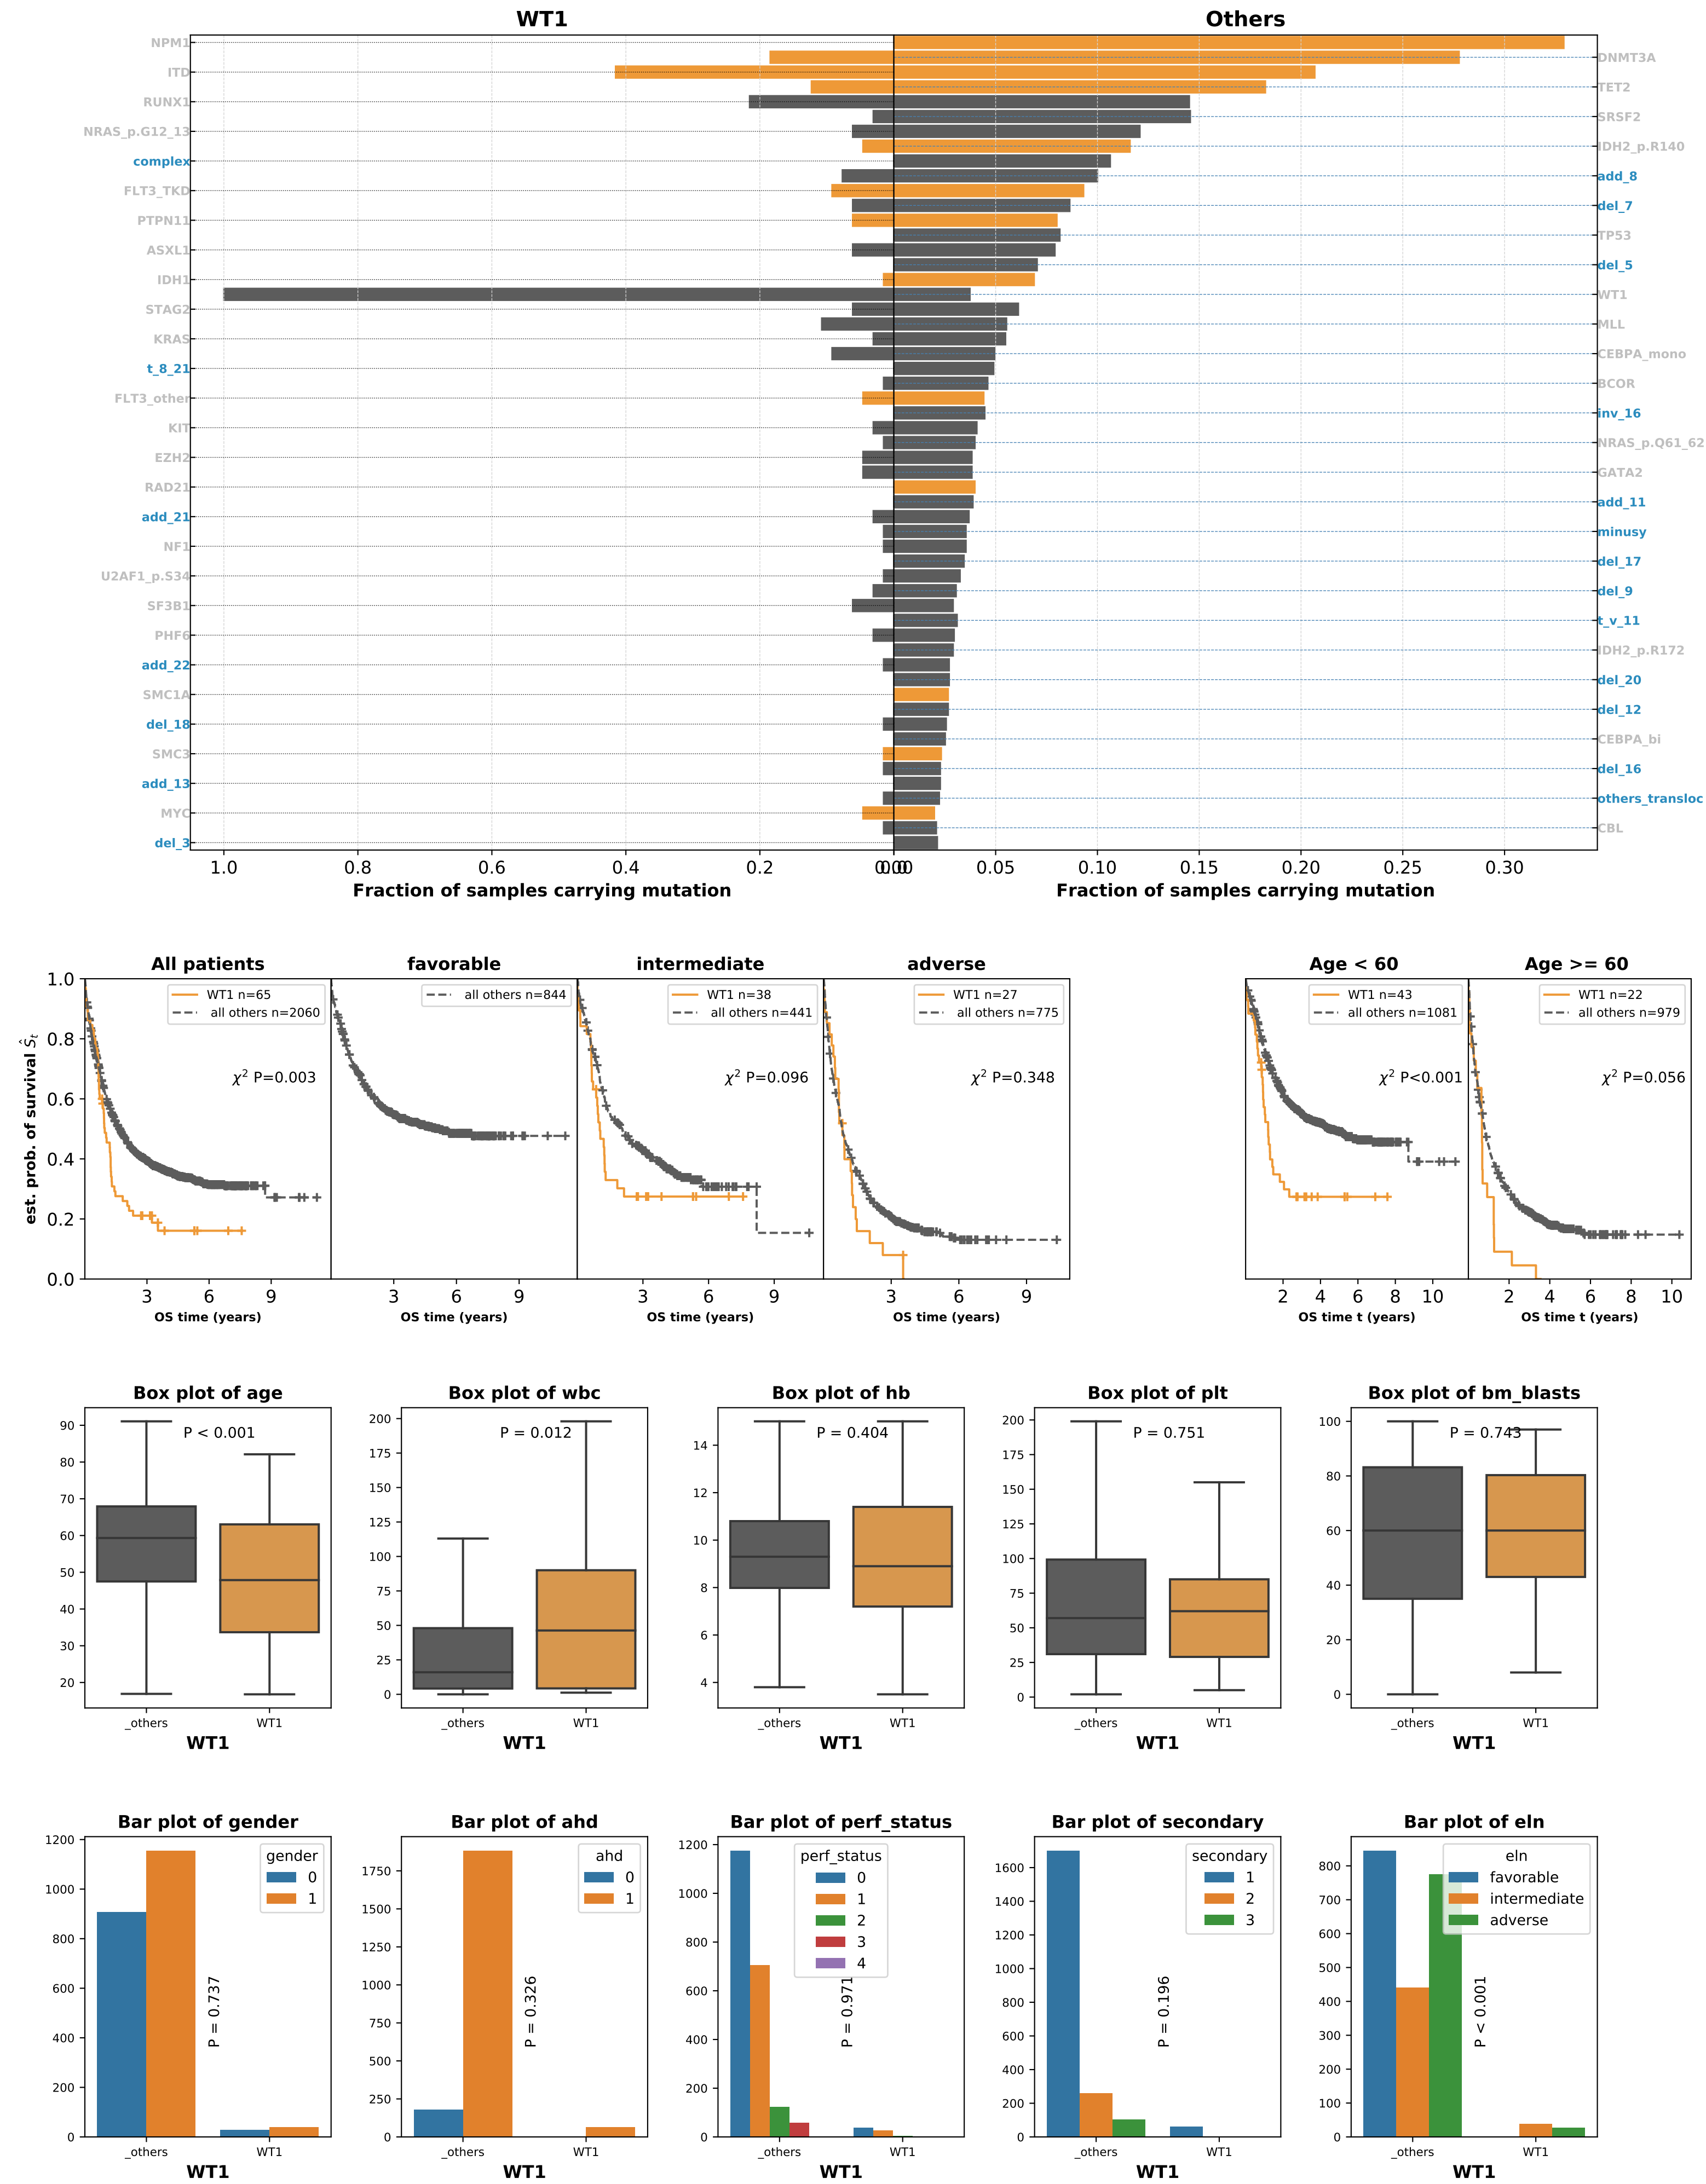

Table of classification, barplot of comutations, KM curves , box plots and bar plots for inv\_16

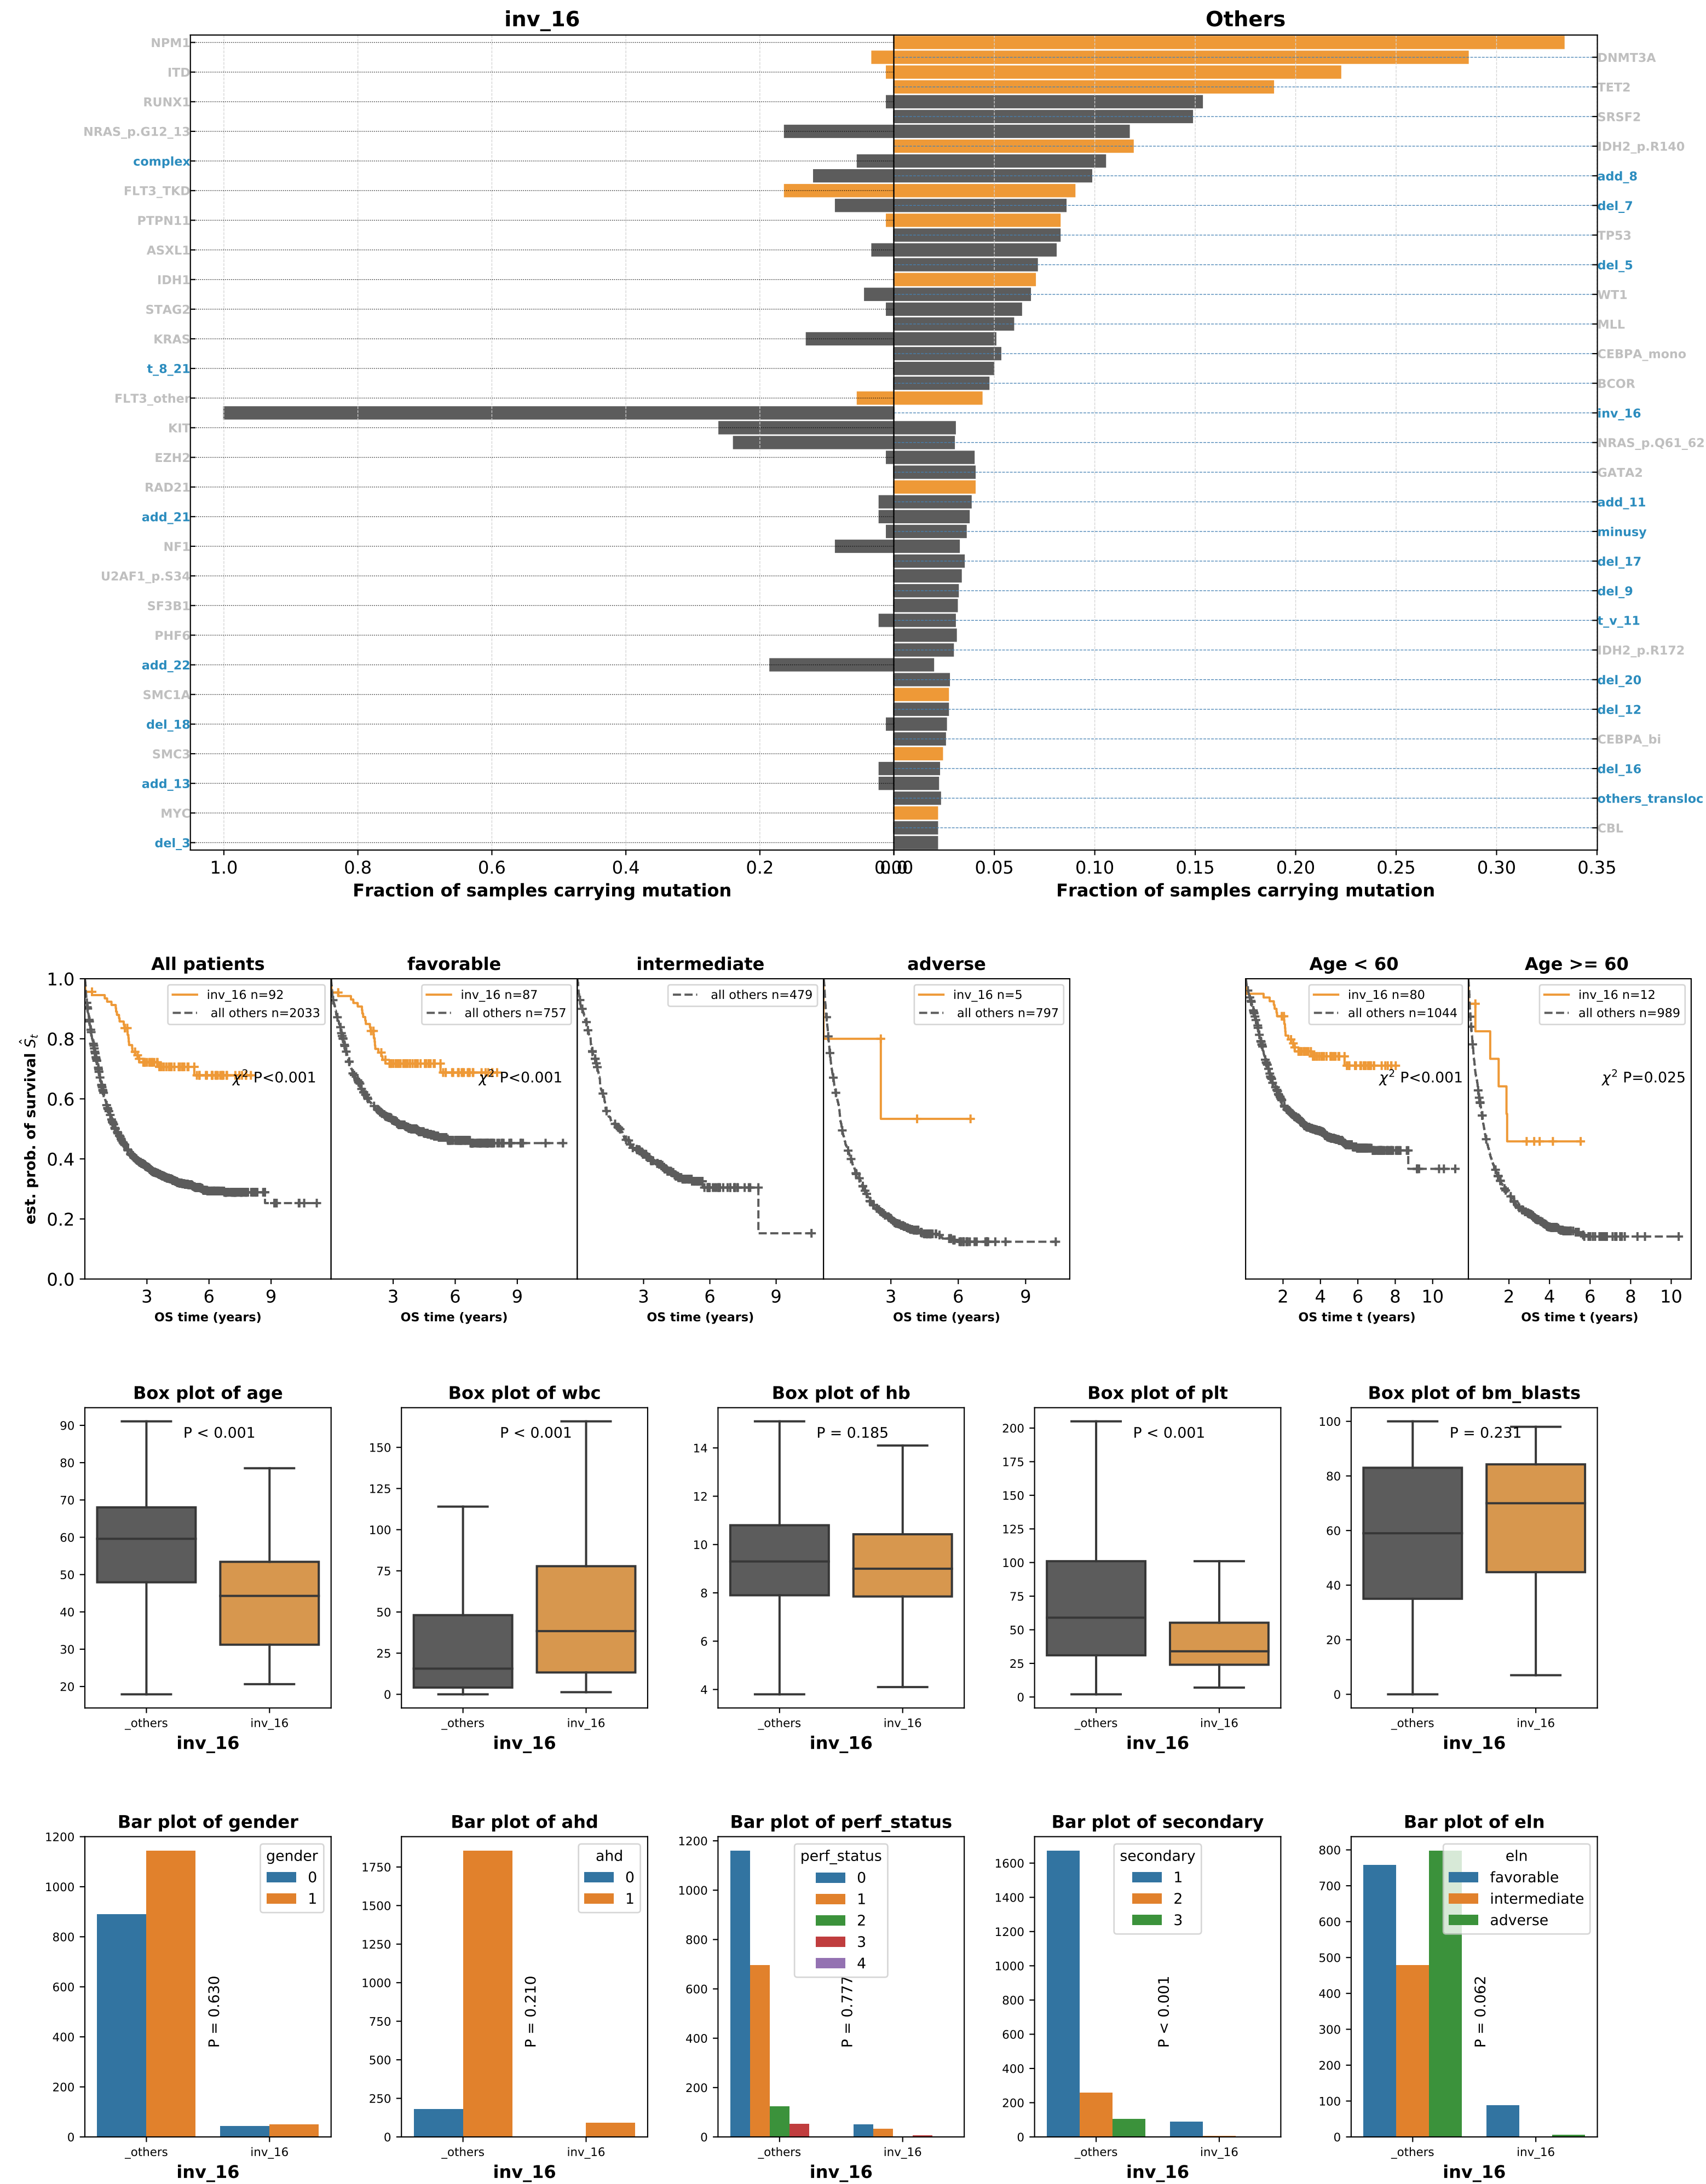

Table of classification, barplot of comutations, KM curves , box plots and bar plots for t\_6\_9

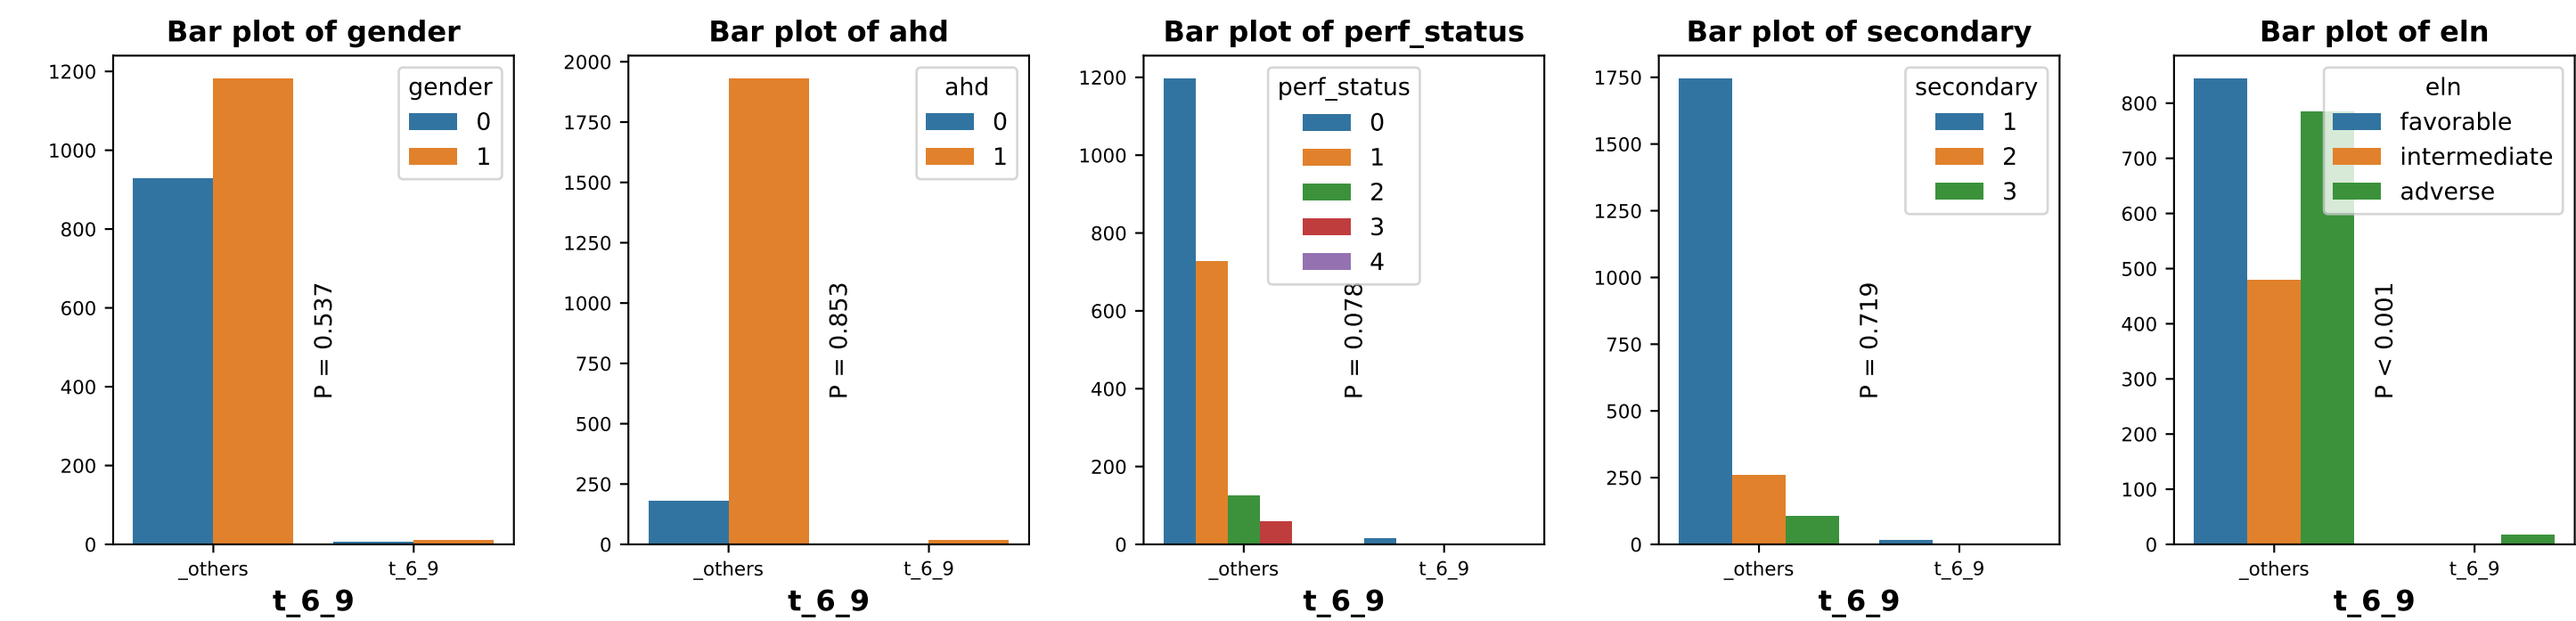

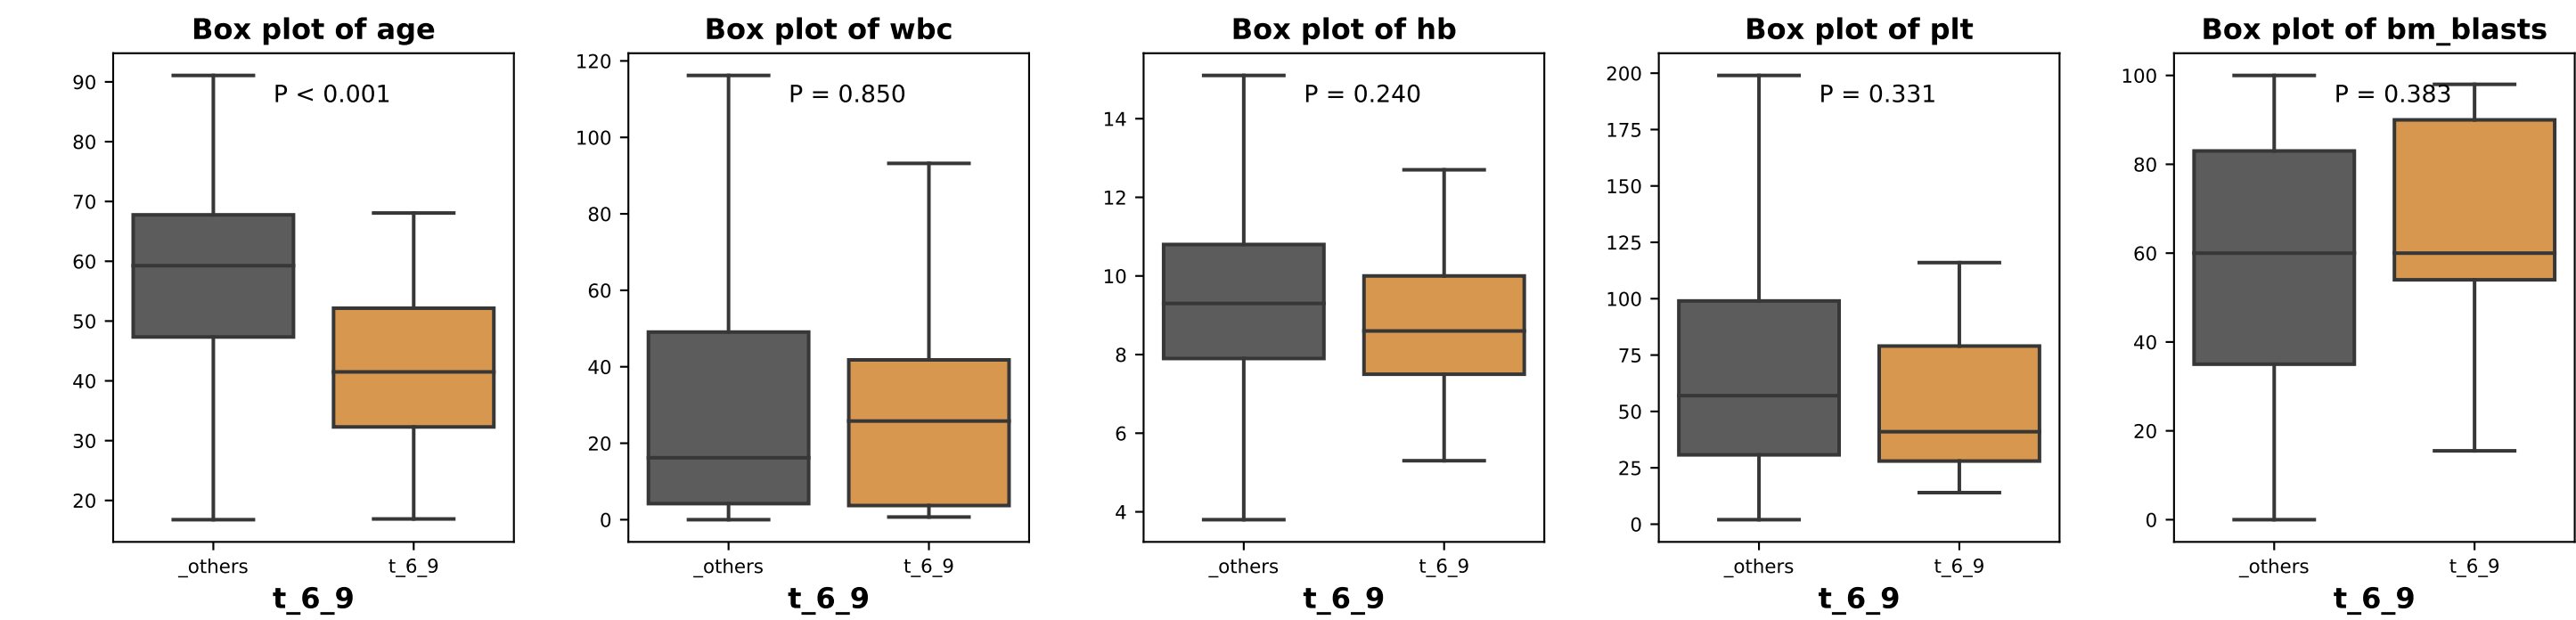

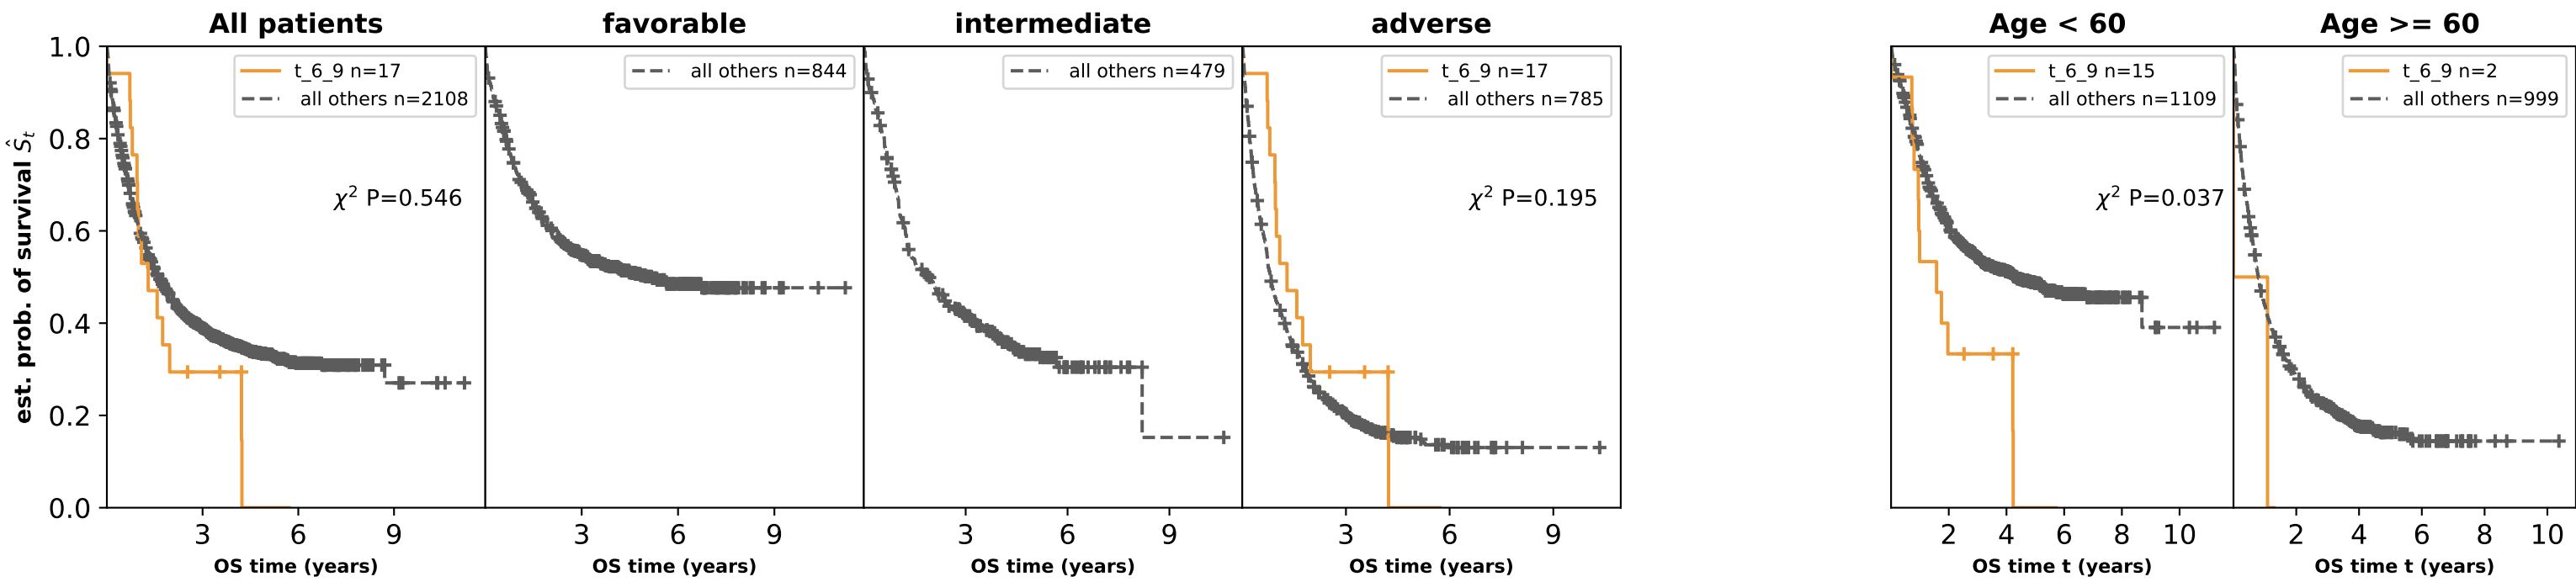

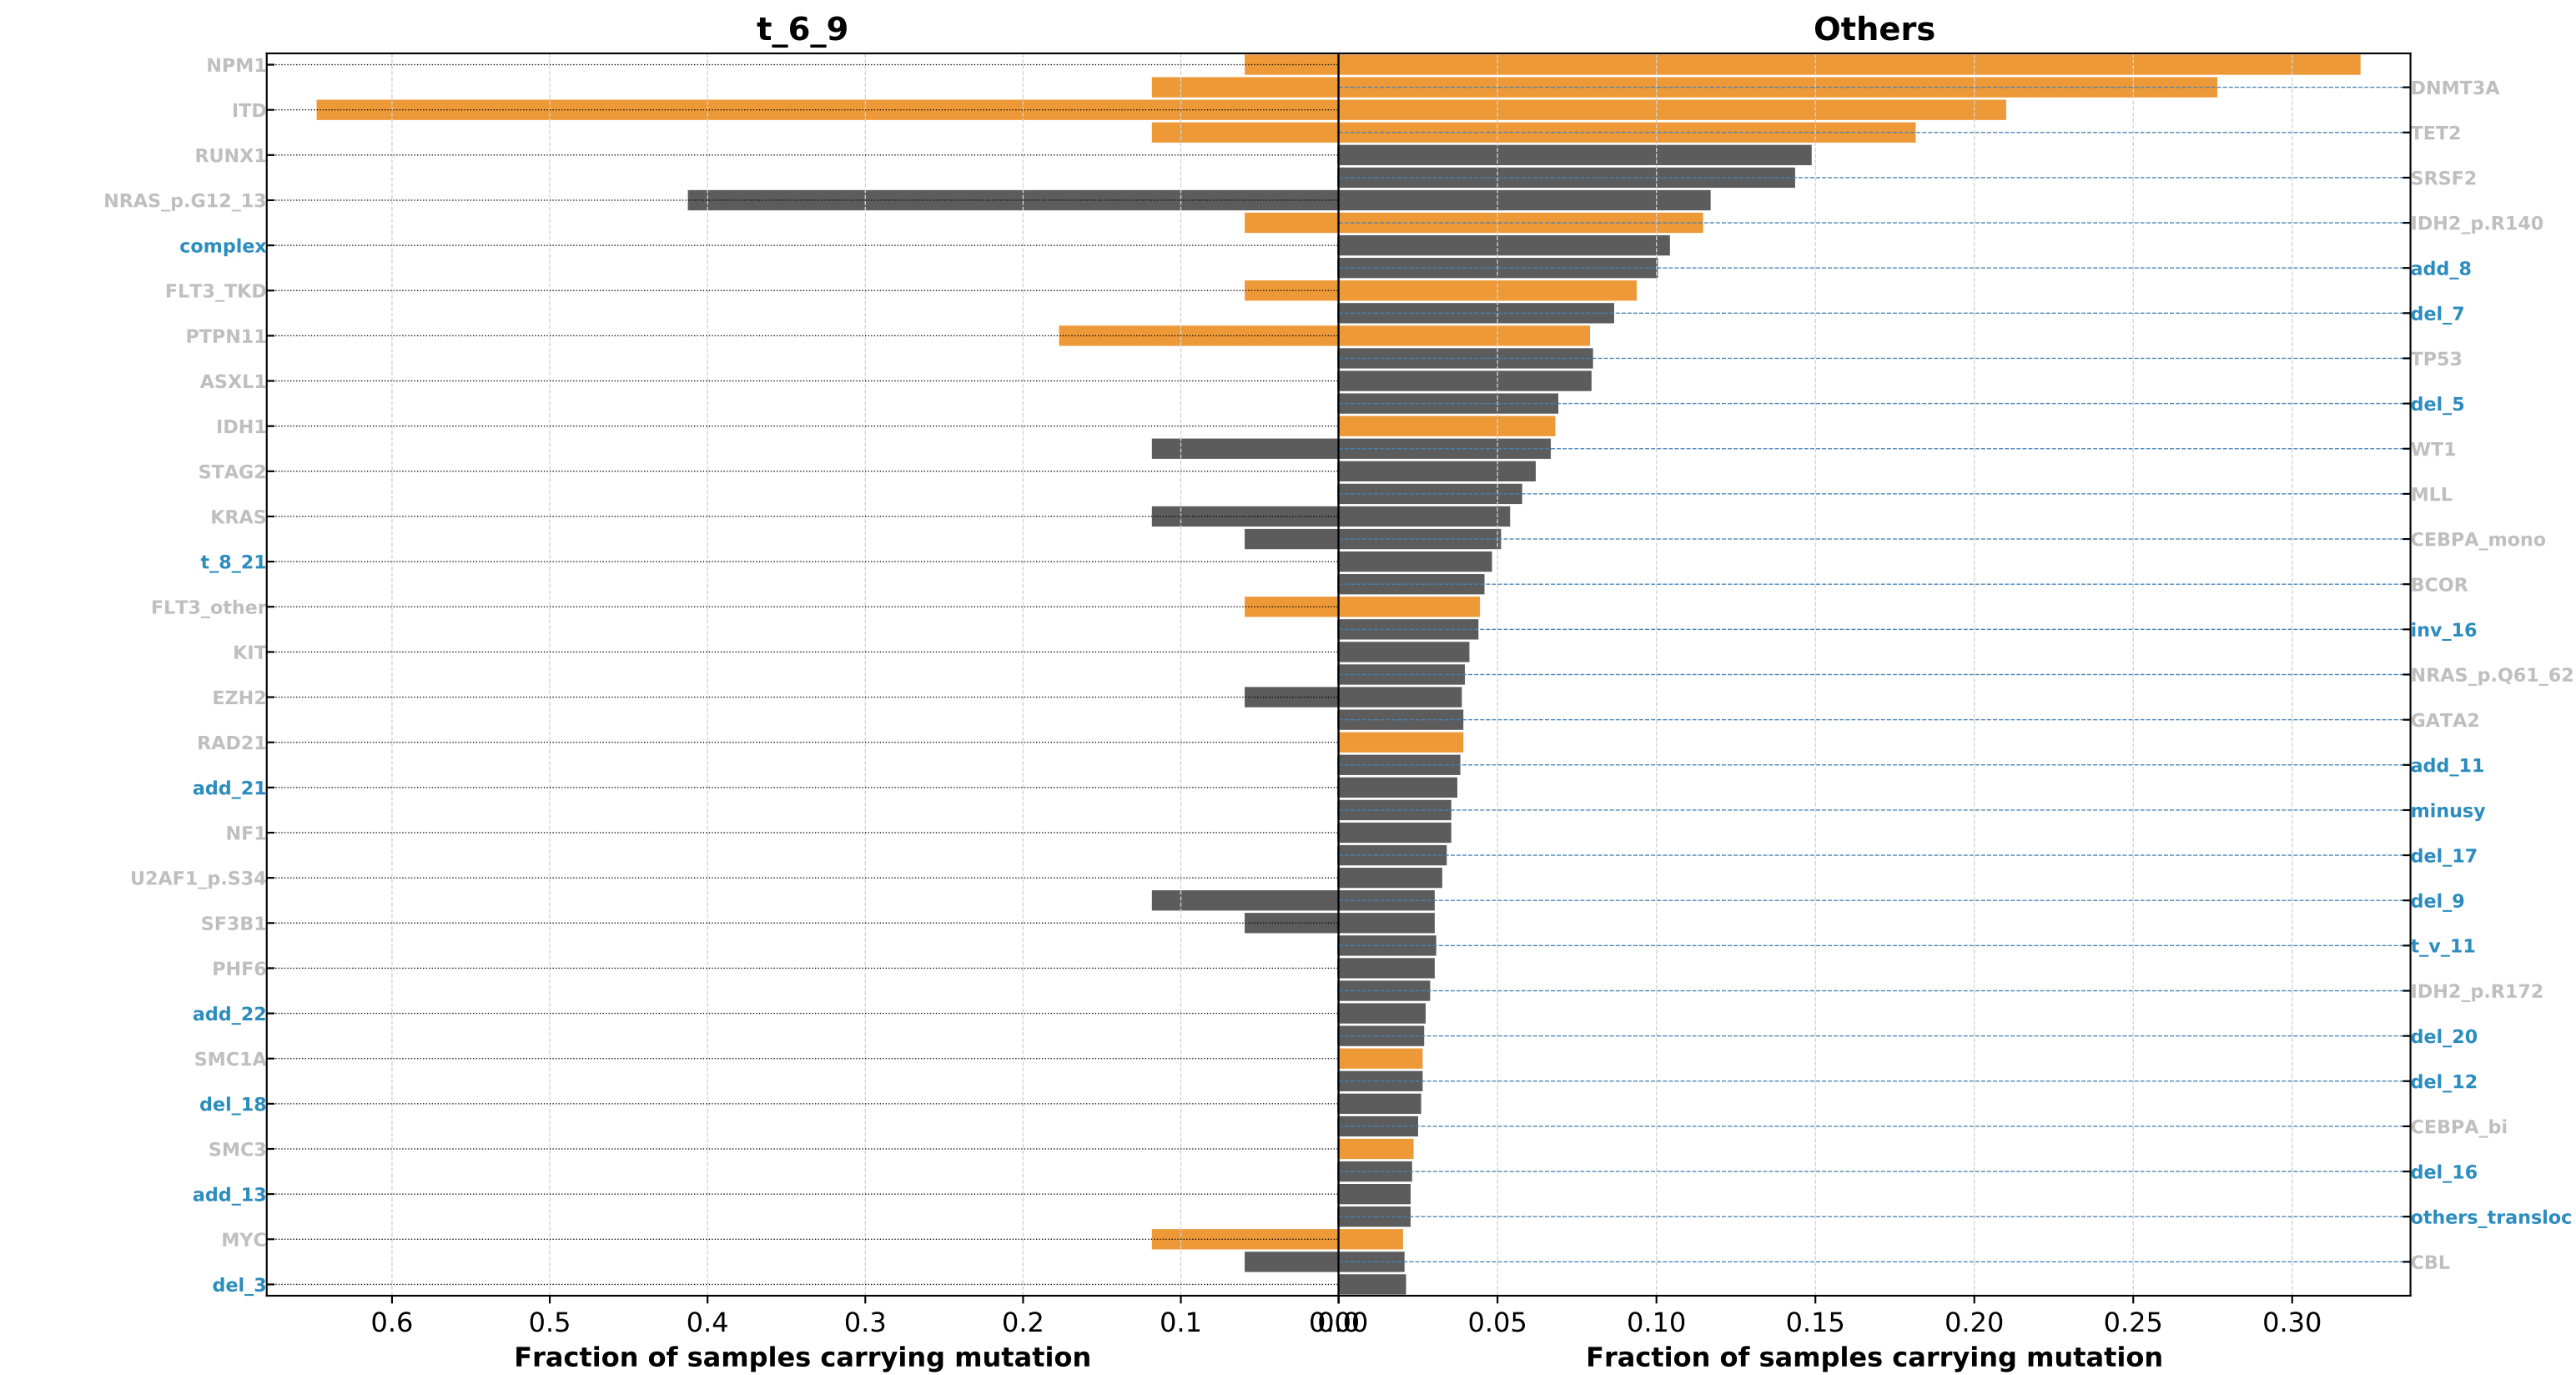

Table of classification, barplot of comutations, KM curves , box plots and bar plots for t\_15\_17
